Mrs. Catherine Arbin died in Baltimore on the 21st inst., aged 118 years. She had been confined to her bed for three years. Mrs. Arbin was born in Philadelphia in 1744, and lived to see her fifth generation, with great-great grandchildren. Her youngest child is now living, at the age of about seventy-eight years.— Her father, who was of Baltimore, was at the battle of Bunker Hill.

A BAD SORE LEO CURED—Pitisburgh, September 18, 1861—I hereby certify that I have had a sore leg for over a year. It was covered with ulcers and sores so that I could not work for nearly a year. My leg swelled so that I was unable to do anything for a long time, for at least six months. I tried several of the best does not be used to the city, but without any benefit; finally I called on Dr. Keyser, at No. 140 Wood street who only attended no about two weeks and cave me but we become tended ne about two weeks, and gave me but two bot-tles of medicine, and I am entirely well, and have con-tinued well for six months I am employed at the Eagle Engine House on Fourth street, where any one can see me.

THOMAS FARRELL.

READ THIS CURE.—I was afflicted with a horrid disease in my feet and ankles, so much so that for six weeks I was confined to my bed, and at other times to my ckair, where I was compelled to sit for weeks. I was in the care of both our eminent physicians for a long time, but they could do nothing to effect a cure or ease my pain. My teet and legs became very much swollen, and having heard of your Blood Searcher (although I had very hute faith in it), I was induced by Messis. Alexander & Son, agents at this place, to try it. I had not used one bottle before I began to find immediate relief. I tried another, and am now able to walk about without crutches. I have tried other patent medicines, but received no benefit. I take pleasure in recommending your Blood Searcher above all others, to those who may be afflicted as I 'ave been.

Yours, truly.
