LOW BLIE. FEMALE COMPLAINTS,

Bedford county:

In April, 1850, as near as I can remember, a small pumple made its appearance on my upper lip, which soon became enlarged and sore. I used positives of sorrel, and a wash of blue utriot, without effect—rinding the sore extending, I called on Dr. Ely, of Schelibburg, who pronounced it CAN U-Bi, and prescribed a wash of singer of lead and bread poultices. Finding these remedies of no avai, I chief upon Dr. Shaffer, of Davidsville, Somerset county, who also prenounced the disease Cancer, and gave me internal and external remedies—the buter consisting principally of causing out all to no purpose as the disease continued spreading toward the most. I max used a preparation of arrente, in the form of series. This for a time diseased the disease, but the influenting sort he cased i called upon Dr. Sinter, or St. Chairsville, Beaford county, when the pronounced the disease Cancer, and applied a salve soft to be a rever fit in general, but it had no effect whether in the same year, the apread of the fore. In December in the same year, the disease had eaten away agreater part of my upper lip, and had attacked the none, when I went to Cincinnatii where I consulted Frof R. S. Newton, of the Eelectic Medical College. He pronounced the cinease "a cutaneous Cancer, superinduced by an inordinate use of mercury." He applied mild zinc ontment, and gave me internal remedies. My face heated up, but the influentian was notthoroughly removed. In February, 1857, he pronounced me cured, and I left for home. In April the disease again returned, and so violent was the pain that I could not rest at night. Late in May I returned to Cincinnati, and again placed myself under the charge of Dr. Newton, with whom I returned upt the September, during which time he used every known remedy, and partly succeeded in checking the disease, but when I returned home there were suit intee disthe charge of Dr. Newich, with whom I remained until September, during which time he used every known
remedy, and partly succeeded in checking the disease,
but when I returned home there were easili three discharging ulcers upon my face. I continued using Newton's preparations, and also medicine that I got from
Dr. Ely, butthe Cancer continued growing until it had
eat off the left side of my nose, the gneater portion of
my left check, and had attacked my left eys. I land given

In March, 1858. I bought a bottle of "Blood Searchery"
but I must confess that I had no faith in it. I was very
weak when I commenced taking it; but I found that I
gained strength day by day, and also that the ulcers
commenced drying up. I continued, and when the
third bottle was taken, my face was healed as if by a
miracle. I used the fourth bottle, and I have been
Leathlier since than I have been for the last seven years.
Although my face is sadightsfigured, I am still grateful
to a benigh Providence who has spared my life, and

A BAD SORE LEG CURED.—Futisburgh, September 18, 1861.—I hereby certify that I have had a sore leg for over a year. It was covered with alvers and sores so that I could not work for nearly a year. My leg swelled so that I was unable to do anything for a long time, for at least six months. I tried several of the best doctors in the city, but without any benefit; finally I called on Dr. Keyser, st. No. 140 Wood street who only attended me amout two weeks; and gave me bu tiwo bottles of medicine, and I am entirely well, and have continued well for six months. I am employed at the Eagle Engine House on Fourth street, where any one can see the.

READ THIS CURE.—I was afflicted with a horrid disease in my feet and anties, so much so that for six weeks I was confined to my bed, and at other times to my ckair, where I was compolled to sit for weeks. I was in the care of both our eminent physicians for long time, but they could do nothing to effect a cure or lease my pain. My feet and legs become very much swollen, and having heard of your Blood Searcher (atthough I had very little faith in i.), I was induced by Messrs. Alexander & Son, ageuts at this place, to try it. I had not used one bottle before I began to find immediate relief. I tried another, rul am now able to walk about without critches. I have tried other patent medicines, but received no henefit. I take pleasure in recommending your Blood Searcher above all others, to those who may be afflicted as I we been. Yours, truly. READ THIS CURE -I was afflicted with a horrid di
