

VOICES OF ANIMALS.
There is a chapter in the *Natural History of Animals* that has hardly been touched upon as yet, and that will be especially interesting with reference to families. The voices of animals have a family character not to be mistaken. All the Canidae bark and howl; the Fox, the Wolf, the Dog have the same kind of utterance, though on a somewhat different pitch. All the bears growl, from the White Bear of the Arctic snows to the small Black Bear of the Andes. All the cats miaow, from our quiet feline companion to the Lions, the Tigers, and Panthers of the forest and jungle. This last may seem a strange assertion; but to any one who has listened critically to their voices, the roar of the Lion is but a gigantic miaow, bearing about the same proportion to that of a Cat, as its stately and majestic form does to the smaller, softer, more peaceful aspect of the Cat. Yet, notwithstanding the difference in their size, who can look at the Lion, whether in his sleepy mood, or in his fiercer moments of hunger or of rage, without being reminded of a Cat? And this is not merely the resemblance of one carnivorous animal to another; for no one was ever reminded of a Dog or Wolf by a Lion—Again, all the Horses and Donkeys neigh; for the Horse and the Donkey is only a harsher neigh, pitched on a different key, it is true, but a sound of the same character—as the Donkey himself is but a clumsy and dwarfish Horse. All the cows low, from the Buffalo roaming the prairie, the Musk Ox of the Arctic ice-fields, or the Jack of Asia, to the cattle feeding in our pastures. Among the Birds, this similarity of voice in Families is still more marked. We need only recall the harsh and noisy Parrots, so similar in their peculiar utterance. Or take, as an example, the web-footed family; do not all the Geese and the innumerable host of Ducks quack; does not every member of the Crow Family quack, whether it be the Jackdaw, the Jay, the Magpie, the Rook, in some green rookery of the Old World, or the Crow of our woods, with its long, melancholy caw, that seems to make the silence and solitude deeper? Compare all the sweet warblers of the greater or less perfection of their note, but the same kind of voice runs through the whole group—Agassiz.

OUR TEETH.
They decay. Hence, unseemly mouths, bad breath, imperfect mastication. Everybody regrets it.—What is the cause? I reply, want of cleanliness. A clean tooth never decays. The mouth is a warm place—98 degrees. Particles of meat between the teeth soon decompose.—Gums and teeth must suffer. Perfect cleanliness will preserve teeth to old age. How shall it be secured? Use a quill pick, and rinse the mouth after eating. Brush and Castile Soap every morning; the brush with simple water on going to bed. Beware of this trifling care upon your precious teeth, you will keep them and save the dentist's fee. Neglect it, and you will be sorry all your lives. Children forget. Watch them. The first teeth determine the character of the second set. Give them equal care. Sugar, acids, saleratus, and hot things are nothing when compared with food decomposing between the teeth. Mercurialization may loosen the teeth; long use may wear them out, but keep them clean and they will never decay. This advice is worth more than thousands of dollars to every boy and girl. Books have been written on the subject. This brief article contains all that is essential.

A TROUT FACTORY IN CONNECTICUT.
Messrs. Dunham, Kellogg & Ives, of Hartford, have a large trout factory in operation in Glastenbury, Conn., where trout are hatched by artificial means. The number now in the pond is between 40,000 and 50,000, and rapidly increasing. When the stock reaches the number of half a million, they estimate a yield of 50,000 pounds per annum. As they will bring in market from 25 to 50 cents per pound, this amount would afford a very pleasant net income. The fishes are fed regularly, and have a man in constant attendance. Their food consists of small fishes and shad spawn in season. Millions of suckers are raised to feed the hungry babies of the pond.

SERMON BY GENERAL MITCHEL.
General Mitchel, at the conclusion of a sermon preached to the Ninth Ohio Brigade, near Shelbyville, Tennessee, took a huge rock pulpit and occupied half an hour in delivering one of the finest religious discourses ever heard. He commenced by saying "that he did not come there as the general commanding, but as man to man, and aiming for the same state of eternal happiness." He insisted that the highest duty of a soldier was to be a Christian; religion heightened every enjoyment, and better prepared him to discharge his duty. A chaplain who was present says: "It was a sublime scene; he left an impression on the minds of his auditors never to be forgotten." The effect of the sermon was added to by the fact that the services were held on the mountain top, amid the rugged grandeur of East Tennessee.

HONEST DEBTOR.—The Providence Journal says: "An esteemed citizen of Worcester, Massachusetts, was in this city yesterday, paying ninety per cent. of indebtedness incurred nearly thirty years ago, but of which, through misfortune, he has heretofore been able to pay only ten per cent. Most of his creditors had forgotten all about the transaction.

Waynesburg Business Cards.
HAMILTON HOUSE,
Waynesburg, Greene County, Pa.
