GOODS & NOTIONS.

A CLOAK AND MANTILLA STORE, being the first establishment of the kind ever opened in this city. The ladies of Waynesburg and Greens county are respectfully invited to call and examine our stock. Having gone to great expense in fitting up a first-class house for this particular branch of trade, we will introduce fresh novelries every month. For PITTSBURGH, PA., WHOLESALE JOBBERS

BEAUTY AND FINISH we will defy comparison west of New York city.

Having engaged the services of a superior artist, who served his time in the great Cloak House of Charles Nicholson & Co. St. Paul's Church Yard, London, and more recently at the Palace of Geo. Brodie, under the Fitth Avenue Hotel, New York, which will enable us to furnish goods much better and at a lower rate than any similar house in the city. We also invite the Country Trade to our Stock, as we have the facility for furnishing them goods at New York prices.

We call special attention to our stock of

E would respectfully direct the attention of citazens of Waynesburg and vicinity to the vast and universally admitted superiority of the Pianos made by FTEINWAY & SONS, New York.

The tone of these instruments more nearly resembles the "human voice" in the prolonged and singing qualities of their sound; and they combine in a wonderful degree POWER and SWEETINESS. Both for bill liant instrumental performance, and as an accompanisment to yoral music, they are altogether unrivaled.
