STEINWAY & SONS PLEMENT PLACE.

THE BEST PIANOS IN THE WORLD. WARRANTED FOR FIVE YEARS.

W E would respectfully direct the attention of citi.

zens of Waynesburg and vicinity to the vast
and universally admitted superiority of the Pianos made
by STEIN WAY & SONS, New York.

The tops of these preferences. The tone of these instruments more nearly resembles the "human voice" in the prolonged and singing qual-tites of their sound; and they combine in a wonderfu-degree POWER and SWEETNESS. Both for brit-

degree POWER and SWEETNESS. Both for brilliant instrumental performance, and as an accompanient to vocal music, they are altogether unrivalled.

We Challenge Companison, and we Wastant them superior in every respect to anything slet in the shape of a Piano Porte.
