Ayer's Compound E Sarsaparilla.

Sarsaparilla.

No one remedy is more needed in this country than a reliable ALTERATIVE, but the sick have been so of Sarsaparilla abroad that they are disgusted even with the name. Yet the drug cannot be blamed for the impositions from which they have suffered. Most of the so-called Sarsaparillas in the market contain little of the virtues of Sarsaparilla or anything else. They are mere stops—inert and worfuless, while a concentrated extract of the active variety of Sarsaparilla compounded with Dock, Stillingia, lodine, etc., is, as it will ever be, a powerful alterative and an effectual remedy. Such is Ayer's Extract of Sarsaparilla, as its truly wonderful eures of the great variety of complaints which require an afterative medicino have abundantly shown. Do not, therefore, discard this invaluable medicine because you have been imposed upon by some thing pretuding to be Sarsaparilla, while it was, not. When you have used Alar's—then, and not till then, will you know the virtues of Sarsaparilla. Fof minute pariculars of the fiseases it cures, we refer you to Ayer's American Almanac, which the agents below named will furnish gratis to all who call for it.

Ayer's Gathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentary, Foul Stomach, Headache, Piles, Rheumatism, Heratburn arising from bisordered Stomach, Pain, or Morbid Inaction of the Hewels, Flauthency, Loss of appeire, Liver Complaint, Dropsy, Werms, Gout, Neuraligia, and for a Dinner Pills.

They are suga—coated, 50 that the most sensitive can take them pleesantly, and they are the best Asperient in the world for all the purposes of a family physic.—

They are suga—coated, so that the most sensitive can take them pleesantly, and they are the best Asperiest in the world for all the purposes of a family physic.—Price 25 Cents per Boz; Five Boxes for \$1.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYE's and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it

powers. The sick want the best and they should have it.
