Two brave to witness the deliberations of that body. soldiers of the Union have their homes at will remain liable to enrollment and draft,

> election is sure." Another cotemporary remarks of the nominations that they defy criticism and almost render praise superfluous. Their singular excellence extorts acknowledgment even from political opponents, and leaves little to do for the ticket except popular respect and acceptance. It is alike honorable to the two distinguished "Messenger" and Dr. Patton :candidates named and to their party, that their party and the honor and welfare of majority. Pennsylvania. It is not often, we regret to say, that gentlemen of such irreproachable character are named for public office, or that nominating bodies make choice of them with the signal unanimity and unprompted spontaneousness which marked the selection of Mr. Woodward and Mr. Lowrie. When, therefore, men who are singularly and altogether deserving of the confidence of the people, are proposed for the highest civil trusts, the people have a double motive to elect them-the first is. to place power in the hands of those who are peculiarly well qualified to exercise it wirely and virtuously for the general good: and the second is, to encourage party Conventions in nominating the fittest and best men for public station. There can be but little doubt that the very excellence of the Democratic nominations will compel the opposition to be more select in the choice of their candidates than they might other- Gen.
