LOGICAL

"If it be true that the war was caused by slavery—and that it is true, who can doubt?—then, hereafter, peace must be maintained by freedom."

From the Cincinnati Enquirer.

THE "GLORIOUS VICTORY" IN KENTUCKY—HOW THE ELECTION WAS CARRIED.

Covington, August 5th, 1863. To the Editor of the Enquirer: I have read in the Commercial, Times and Gazette the rejoicing over the great Union victory in Kentucky. I have also looked (but looked in vain) for some article in your paper...

ONE THAT DID NOT VOTE.

GEO. WOODWARD AND THE SABBATH. Judge Woodward is not only one of our wisest jurists and ablest statesmen, but he is a man of the purest moral character, a consistent member of the Episcopal Church, and a model Christian gentleman.

A NEW HERO.

General Burnside is at last a hero! Foiled at Fredericksburg, he has conquered in Kentucky. Obeying the mandates of his masters at Washington, he took such measures, during the recent election in that State, as to secure what is called and rejoiced over by the Abolition press as a Republican victory.

OUR REVOLUTIONARY FATHERS MADE THE FOLLOWING STATEMENT OF GRIEVANCES AGAINST THE BRITISH KING:

He taxed tea. He had a stamp tax. He incited the negro to insurrection. He made the military above the civil power. He sent men into banishment and exile without the authority of law.

Resolved, That it is with unfeigned regret that we heard of the death of our esteemed brother; and although he fell covered with the honors of the patriot and a martyr to his noblest cause, yet ever graced humanity, we cannot, in our selfishness, but express the wish that he might have been spared a little longer to serve his country with his valor, and bless his friends with his company.

Resolved, That we tender to the family and friends of the deceased our condolence and sympathy for the sad bereavement that has befallen them.

TRIBUTE OF RESPECT.

WARREN'S LODGE, No. 153. A. Y. M. July 23, A. D., 1863.
