#### Women in the Fields.

A correspondent of the Cleaveland Herald, who has been travelling in the West, says: "It is a very common affair to see a bright-eyed young woman seated on the reaper. driving a four horse team. But not only thus are women useful, for I have frequently seen them using the hoe But what I saw a couple of weeks ago in the south part of Madison, Lake county, caps all the scenes in this line within my knowledge.-To appearances a rain storm was coming up, and there was one wo man in the field dextrously raking up the hay, whilst the double team and hay wagon was being driven into the field by two other women.-Raker, pitcher and loader were all women.'

#### How Soon we Forget.

A leaf is torn from the tree by the rude gale, and borne away to some on a CASH business, and will be enabled to sell at very desert snot to perish. Who misses it, short profits. If you will favor us with a call we will desert spot to perish. Who misses it from amongst its fellows? Who is sad that it has gone? Thus with human life. There are dear friends, perhaps, who are stricken with grief so come when a loved one is taken; and for many days the grave is watered with tears of anguish. But by and by the crystal fourtain is drawn dry, the last droop oozes out; the stern gates of forgetfulness fold back upon the exhausted spring; and Time, the blessing bealer of sorrow, walks over the closed sepulcher without walking a single echo by his foot-

Few people realize the extent of the Territories of the West. It is said that Idaho embraces an area of 326,000 squarmiles enough to make eleven States like New York-and ber extensive gold fields are attracting a large emigration.

Look not mournfully into the past-it cannot return; wisely improve the present-it is thine; go forth to meet the shadowy future without fear, and with a manly heart.

Not an oath is uttered that does not vibrate through all time in the wide-spreading current of sound; not a prayer is lisped but its record is stamped on the law of nature by the seal of the Almighty's will.

in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hootland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

### Attention, Soldiers!

AND THE FRIENDS OF SOLDIERS We call the attention of all having friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the fists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debitity. Every case of that kind can be readily cured by Hoofland's German Bitters Diseases resulting from disorders of the disgestive organs are speedly removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hunoreds of lives might be saved that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters."

nation's heroes, whose ale, to use his own language, "has been saved by the Biners."

Phplhiadvli, A ugust 23rd, 1862.

Messrs. Jones & Evans:—Well gentlemen, your Hoodand's German Bitters have saved my life.—

There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of sherman's celebrated battery, and under the immediate command of Capt. R. B. Ayers. Through the exposure attendant upon my aroutous duties, I was attacked in November last with inflamation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and yet ontain a spark of vitality. For a week or more I was a carcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again.

again.

Lould not even keep a glass of water on my stom ach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unauccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergy man, and to make such disposition of my limited tunds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forforn hope, to try your Butters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two obottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter of being permitted to rejoin my wife and daughte from whom I have heard nothing for eighteen months from whom I have neard nothing for eign'een months; for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. Fo your invaluable Ritters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosons those who are dearest to me in life. Very truly Yours,

W E would respectfully direct the attention of citizens of Waynesburg and vicinity to the vast and universally admitted superiority of the Pianos made by STEIN WAY & SONS, New York.

The tone of these instruments more nearly resembles the "human voice" in the prolonged and singing qualities of their sound; and they combine na wonderful degree POWER and SWEFTNESS. Both for brilliant instrumental performance, and as an accompaniment to vocal music, they are altogether unrivalled.

We Challenge Comparison, and we Warramt them superior in every respect to anything electric desired them.
