SECTION 54, LAWS OF PENNSYLVANIA.--Any Person who shall directly, or indirectly give, or offer to give any such gift or reward to any such elector, with the intent to induce him to vote for any particular candidate or candidates at such election, or shall directly, or indirectly procure or agree to give any such gift or reward to such elector, with the intent aforesaid, or shall, with the intent to influence or intimidate such elector to give his vote for any particular candidate or candidates at such election, give, offer or promise to give to such elector any office, place, appointment or employment, or threaten such elector with dismissal or discharge from any office, place, appointment or employment, public or private, then held by him, in case of his refusal to vote for any particular candidate or candidates at such election, the person so offending shall be guilty of a misdemeanor, and, on conviction, be sentenced to pay a FINE NOT EXCEEDING FIVE HUNDRED DOLLARS, and undergo an IMPRISONMENT NOT EXCEEDING TWO YEARS.

The Democratic Vigilance Committee of Greene county hereby give notice that they will prosecute, with all the rigor of the law, any person who shall be detected violating the provisions of the above statute at the coming election.

And they hereby offer a reward of ONE HUNDRED DOLLARS for such information as will lead to the conviction of such offender, to be paid on conviction.

They earnestly request all Democrats, and other citizens who appreciate the value of pure and fair elections, to give to the Committee prompt and early information of any attempt to violate this salutary law. By order of the Democratic County Committee, DAVID CRAWFORD, Ch'n.

Look Out for Bribers!

We call attention to the card of the Chairman of the County Democratic Vigilance Committee. We regret to express our firm belief that such attempts will be made, and that money will be and has been most profusely used in the approaching election by the opponents of Democracy, who have so many substantial reasons for unscrupulous efforts to hold on to the power they are so shamefully abusing. We have heard of one attempt in the sterling Democratic township of Bichhill, which may yet be ventilated in Court.

We hope Democrats will be on the watch in every township in the County for such wretches. We especially call the attention of our Township Vigilance Committees to this subject.

An unscrupulous politician from a neighboring county has been much in our county for a week or two past, and is here this week, according to announcements in the "Republican." If money is to be used for such an unholy purpose, an individual familiar with the trickery of politicians, as he is, would be the one likely to be selected for its corrupt use.

We repeat, we hope if such effort shall be made, that the law against bribery will be enforced with the most unflinching rigor.

Only two parties now, the Democratic and the Abolitionist. Honest men and true patriots will know which to support. Democrats, let your opponents do the begging. You do the voting.

ONCE MORE To the Polls!

DEMOCRATS OF GREENE! On Tuesday next it will again be your duty to exercise the highest privilege and prerogative of a freeman, that of selecting your rulers and lawgivers. Never, in the history of the country, was it more important that you should cast your suffrages with care, and caution, and deliberation, and never was so much at stake. Not only are the peace, welfare and glory of the country involved in the questions at issue, but your very liberties. Your rights as American freemen have been boldly and wickedly assailed by the party in power, and if you prize FREE SPEECH, a FREE PRESS and a FREE BALLOT, you must administer a withering rebuke to the miscreants and demagogues who have put them in peril. Are you ready to do it? Are your minds made up? And have you weighed well the great issues submitted for your decision? And will you be faithful to Constitutional liberty, to yourselves and your children, and once more testify your devotion to the Union of your fathers by voting down

ABOLITION FANATICISM And voting up the old, Conservative National Democracy? The only remedy left for the ills and evils now upon the country is the BALLOT BOX, and if it fails you, all is lost. Your Abolition rulers are trying to corrupt it, but we rely on your courage and patriotism to maintain its purity. See that there is no illegal voting, and that the people are not overawed or intimidated at the polls. DEMOCRATS OF GREENE! We know you, and we know you will do your duty in this grave crisis. Stand firmly by your rights, and abide in your political convictions. There is no hope for your country, or her institutions, but in the restoration to power of the only party that ever governed her justly, impartially, and without endangering the liberty of the citizen in peace or war, or violating the Constitution, the palladium of American freedom and the bond and bulwark of the Union. The stake is yours and the responsibility yours. Be equal to the latter, and to the emergency, and a glorious victory awaits you.

Our State and District Candidates.

GEO. W. WOODWARD, the Democratic candidate for Governor, is one of the ablest and purest men in the Commonwealth. As a lawyer, he ranks with the most distinguished; and as a statesman is of large and broad patriotism and far-reaching sagacity. He combines, in singular degree, the courage, moderation and firmness a great State requires in her chief Executive officer in times like these. No better selection could have been made by the Convention that nominated him; and this is as high a eulogium as could be pronounced on him, for the names of the best and most gifted men in the party were before that body. His election will secure the liberty of our citizens against the lawless and outrageous invasions of the National Administration and its minions. The little "bell" Mr. Seward rings when he wants to arrest a man, guilty of no offence known to the laws, will be as silent then in Pennsylvania as it has been in New York since Gov. Seymour's election.

WALTER H. LOWRIE, our candidate for the Supreme Judgeship, is one of the most eminent lawyers in the State, and one of the most learned and acceptable Judges we have ever had on the Bench. His election will ensure, in all respects, to the advantage of the people.

Col. WM. HOPKINS, our candidate for the Senate, is a gentleman whose integrity and unblemished private character render him perfectly invulnerable. Though in public life for perhaps 20 years, and filling various responsible positions, his scrupulous honesty has never been doubted even by his political opponents. For two years past he has represented the people of Washington county in the lower House of the Legislature, where he made himself conspicuous by his fidelity to the interests of the State and people, by his able and persistent advocacy of the restoration of the tonnage Tax, and by his resistance to all partial and plundering legislation. His past course foreshadows his future; and we risk nothing in saying he will make one of the most faithful, efficient and popular Senators we have ever had. His election, by a tremendous majority, is as certain as the coming of the 2d TUESDAY OF OCTOBER.

FELLOW-DEMOCRATS! Your nominees are all you could wish them. Give them a support which will attest your confidence in their ability, integrity and patriotism.

DON'T FORGET The shoddy uniforms and pepper-soled shoes Curtis's contractors furnished the gallant soldiers of Pennsylvania, and don't forget that his own party papers charge him with complicity in these swindles.

Only two parties now, the Democratic and the Abolitionist. Honest men and true patriots will know which to support.

DEMOCRATS!

Be at the polls early, and work all day for "the ticket, the whole ticket and nothing but the Ticket."

Our Candidates.

The Democratic County candidates are so well known to our readers and to the people as to require no panegyric at our hands. They are all good men and true, honest and capable, and will make popular and excellent officers. PATTON, TEMPLE, JENNINGS, BROWN, DINSMORE, CLAYTON and FULLER are all Democrats in whom there is no guile, and unexceptionable citizens. Their integrity is above suspicion, and their fitness for the positions for which they have been nominated cannot be questioned, and will not be, but by cynical and censorious political opponents. Coming fully up to the Jeffersonian standard of qualification, they will receive the hearty support of every sincere Democrat in the county.

DEMOCRATS OF GREENE! You never had a better ticket. Will you see to it that the candidates, one and all, have overwhelming majorities? Let there be no scratching.--not a bit of it. This is no time for that sort of thing. Let "the ticket, the whole ticket, and NOTHING BUT THE TICKET," be the watchword with every true, and steadfast Democrat and patriot.

Rally the forces, Democrats! Let no man stay at home who loves his country, or would not be a slave!

A CANDIDATE FOUND AT LAST!

JOHN C. FLENNIKEN THE NOMINEE!

The Republican-Abolition Senatorial Conference, at a late re-assembling, nominated JOHN C. FLENNIKEN, Esq., of this place, as their candidate in this District. We presume he agreed to take the nomination before it was made, as a second "slip," after the fashion of Mr. Linde's, would have been fatal to their hopes of cutting even a sorry figure on election day. Personally Mr. Flenniken is a very clever, sensible and upright man; but, whatever may be his professions or pretensions politically, we regard him for over two years past as a Republican of the strictest sect. Indeed, he has attached himself to that portion of that bigoted and intolerant party who have no charity for those who differ with them in political opinion or affiliation, and who believe all the patriotism is confined to the limits of that Nigger-loving and Nigger-worshipping organization. We have seen and learned enough of Mr. Flenniken to know that this is his character exactly to the life, and it is but proper that the Democrats of Greene county, whose votes he will be begging on "No Party" professions, should know it. We give them to understand, then, that all Mr. Flenniken's political associations and sympathies are with the Republican party, and especially has his influence been with it for two years past, and he has NO CLAIM WHATSOEVER TO THE SUPPORT OF DEMOCRATS. Only last Fall a year ago, he ran against the regular Democratic nominee for Associate Judge, and was badly beaten, but not half as well "drubbed" as he will be and ought to be, this Fall.

Democrat! Stand by your party and its candidate. Col. HOPKINS is not only a tried and orthodox Democrat, but trustworthily and above reproach. In point of public experience, he is a "head and shoulders" taller than his competitor, and deserves and commands the respect and confidence of all parties. Let no soft-spoken palaver, or any degree of "button-holing," or whispering, seduce you from his support. Be on your guard against the cunning, intriguing, mongrel politicians who would lead you to cast your votes for a man who entertains no political sentiment in common with you, and is identified and acting with the enemies of the Democratic party. VOTE FOR HOPKINS, fellow-Democrats, if you want to be represented in the Senate by a man who has all his life long consistently acted with your party, holding to its principles, advocating its policy and supporting its candidates on all occasions, through good and evil report, and in sunshine and storm. He is just the man every true Democrat should delight to honor. Let us give him, then, a cordial, nay a UNANIMOUS SUPPORT. LET THERE BE NO SCRATCHING OF TICKETS THIS TIME.

Or, unless Pennsylvania's property, real and personal, would sell for more than her own valuation (\$500,000,000) she is \$17,000,000 WORSER THAN NOTHING!

Table with 2 columns: Pennsylvania and Cr. It shows financial data including property valuation, balance against Pennsylvania, and various taxes and debts.

LOOK OUT FOR THE "HONEYFUGLERS."

There will be a deal of "honeyfugling" of Democrats done between this and the election. Republicans who want you to vote for FLENNIKEN will tell you what a good Democrat he is, or what a "No-Party" man, and how utterly and totally he has given up every political opinion he ever held for the good of his "poor, star, suffering country," and all that sort of thing. DON'T BELIEVE A WORD OF IT, fellow-Democrats! It is all "booby," and intended to honeyfuge you out of your votes. If Mr. Flenniken is not a decided partizan of the Lincoln and Curtis Administration, we don't know him, or if he is not lacking in good feeling for Democrats who speak their sentiments and stand by their party and its doctrines, policy and organization. Yet they are just as patriotic and love their country just as well as Mr. Flenniken, and have quite as intelligent an understanding of their duties and obligations, in this emergency, as he has, and discharge them quite as well. Let no man be deceived about him, or about his party affiliations. He is a traitor and agent with the opponents of the Democratic party.

THE DEBT WE ARE PILING UP. Our Prospective Taxation!

VOTERS AND TAX-PAYERS, READ AND REMEMBER!

But few of our readers have an idea of the enormous expense of the war and of the present reckless and profligate National Administration. One of our contemporaries, an accurate and clear-headed calculator, (Gen. BARR, of the Pittsburgh Post.) estimates the DAILY expenditures of the Government at THREE MILLIONS OF DOLLARS. He says:

"In our articles about this unpleasant subject of taxation, we have assumed the whole debt of the war to be \$3,000,000,000. We say 'assumed,' not because we think we have placed it too high, but because the Treasury of the United States, acknowledged \$1,200,000,000, as funded on the 30th of June last--and because we believe the unfunded contracts and the balances due for pay, &c., will make up the remainder. And moreover, as the war has now lasted over 880 days, and the expenditures are, by common consent, set down at \$3,000,000 per day, (at least) the amount would be \$2,544,000,000. So that, when everything is cleaned up, \$3,000,000,000 is not an extravagant estimate for the whole expense of the war, supposing it shall close by the 1st of January, 1864.

Now, as before stated, Pennsylvania's share of the three thousand millions is five hundred millions--or one-sixth of the whole amount. If we turn to the proper documents, we shall find that the valuation of all the property, real and personal, in Pennsylvania, as fixed by the Revenue Board of the State in February, 1863, was FIVE HUNDRED AND NINETY SIX MILLIONS of dollars. Remember, 596 millions.

Now, if our share of the National Debt, (we mean of Pennsylvania) shall be \$500,000,000--FIVE HUNDRED MILLIONS!--we are, as a body politic, mortgaged for more than FIVE SIXTHS of all WE SAY WE ARE WORTH! This is not very pleasant, certainly--but 'twere remains behind." Let us proceed:

We have before estimated the Pension List at 250,000. Now, our most careful figuring friends say we are too low--they say that if the pensioners numbered 170,000 on the 1st of September, they will be 200,000 at the end of the year. No matter what we would rather be under than over--for we don't wish to alarm anybody. It will say \$250,000 pensioners, at \$8 per month each--this multiplied by 12, (the number of the months in each year) will be \$24,000,000! Of this, our share is ONE-SIXTH--we mean, of FOUR, Pennsylvania's share--and that is FOUR MILLIONS MORE!

Now, as we had mortgaged 596 millions of value for 596 millions of debt--we had 96 millions of value left, or nearly one-sixth of our whole estate--and no more. But now comes this charge for Pensions--it is not funded, to be sure, as the other things will be--but it is an obligation--shall we say--more sacred! And we have to pay these four millions annually, out of the 96 millions that will remain to us after the 500 millions are paid.

If poor old Pennsylvania is to be sold out to morrow for the liabilities she has assumed, and if she shall sell for the whole amount her own Revenue Board has put upon her, her account would stand thus:

PENNSYLVANIA. Cr. To her share of National debt, say \$500,000,000 " own State debt " 33,000,000 " Principal (at 6 per cent) of her share " 73,000,000 Total \$606,000,000

PENNSYLVANIA. Cr. By her own valuation of her own property \$596,000,000 Balance against Pennsylvania \$17,000,000

Or, unless Pennsylvania's property, real and personal, would sell for more than her own valuation (\$500,000,000) she is \$17,000,000 WORSER THAN NOTHING! Tax-payers, how do you like the picture? But our neighbor proceeds farther with his calculations. Computing the National Debt (when the war shall be ended) at three thousand millions of dollars, at an average interest of 6 per cent, the whole amount would be \$180,000,000 per annum, and Pennsylvania's share of the principal would be \$30,000,000 (thirty millions,) or 1/6 of each. Add to this her share of interest on the 24,000,000 annually paid pensioners, which would be four millions more, and her yearly share of the federal expenses for interest and pensions alone will be \$34,000,000!! We all remember how we were alarmed when our State debt ran up to FORTY MILLIONS--and we failed to meet the mere interest of this on one occasion at least. One year's interest on our then alarming State debt was, say \$2,400,000. Pennsylvania's yearly taxes for federal use will now be TWELVE AND A HALF times as much. Moreover our State debt is by no means cancelled. It yet amounts to about \$38,000,000. Let us see how much our yearly burdens are likely to be for 1864, and after that:

Interest on War debt, \$500,000,000, say at 6 per cent \$30,000,000 Pensioners' share of the Pension List will be at least 4,000,000 Interest on State debt, \$38,000,000, at say 6 per cent 2,280,000 Making a yearly total of \$36,280,000 One party will say that this terrific burden was incurred to "save the national life"--another will say it was piled up in "trying to free the negro," but all will agree that it is a fearful reckoning, and we wonder how it is to be paid. If the impost Juries will, as before the war, meet the ordinary expenses of the Government after the war shall have been ended, they will do no more than this. What other means but taxation, can we have to pay interest, Pensions, &c. &c.?

Greene County's Share of the WAR DEBT AND WAR TAXES!

READ! READ!

Thaddeus Stevens, the leader of the Abolitionist Republican party in the lower House of Congress, in a speech at the last session, estimated the expense of the war at THREE MILLIONS OF DOLLARS PER DAY. It has already lasted 880 days, "and there is no prospect that it will be closed in 120 days more." If, then, it lasts 1,000 days, the war debt will be THREE THOUSAND MILLIONS OF DOLLARS. GREENE COUNTY'S share of this debt will be FOUR MILLIONS, ONE HUNDRED AND EIGHTY-SIX THOUSAND, NINE HUNDRED AND NINETY-SIX DOLLARS!!! (\$4,186,996.) The Revenue Board valued the property in this county at THREE MILLIONS, ONE HUNDRED AND TWENTY-NINE THOUSAND, SIX HUNDRED AND SEVENTY-ONE DOLLARS. (\$3,127,671.) So that if we had our share of the debt to pay immediately on the winding up of the war, it would take ALL OUR TAXABLE PROPERTY AND ONE MILLION AND FIFTY SEVEN THOUSAND, THREE HUNDRED AND TWENTY-FIVE DOLLARS MORE TO PAY IT!!!

What do you think of that, farmers and tax-payers of Greene county? Is it not a dear figure to pay for less than three years of Black Republican rule? But we will not be asked or expected to pay our share of the debt at once, though we will have to pay our share of the interest on it every year. And what will that be?--Just TWO HUNDRED AND FIFTY-ONE THOUSAND, TWO HUNDRED AND NINETEEN DOLLARS AND SEVENTY-SIX CENTS!! (\$251,219.76.) How will you bear this, in addition to all your other burdens? Yet there is no escape from it,--it is the price of Abolition folly and fanaticism, and it MUST BE PAID.

Our National Debt.

The New York Tribune says, the war "has saddled us with a debt that will take bread from the mouth of every laboring man's child for generations, and send millions hungry to bed." And yet the Tribune advocates a war policy which, if persevered in, will make the war interminable.

THE VOTE ON THE CRITTENDEN COMPROMISE.

The following was the vote on the Crittenden compromise, the passage of which would have saved the Union without war.

RECOLLECT.

How Curtin, when the State was invaded last summer, "crept at the throne of the central despotism at Washington, and humbly asked permission to defend his State. He waited until the fairest portion of the Commonwealth was despoiled by the enemy, and then appealed to New York, New Jersey, and the militia of Pennsylvania to come to the rescue! Those who saw him at that time, place a proper estimate upon the courage and patriotism of Andrew G. Curtin."

THE RALLY AT MCKENNA'S!

Let there be a large outpouring of the honest masses at McKenna's next Friday. As it is to be one of the last meetings of the campaign, let it be one of the largest and best. TURN OUT! TURN OUT!

MEETING AT CLARKSVILLE.

The Democratic meeting at Clarksville on the 26th ultimo was quite large and enthusiastic. Speeches were made by A. A. PURMAN, Esq., and Dr. PATTON. Look for a big majority from Morgan this Fall.

The accounts from all parts of the State are exceedingly cheering. Woodward's election is regarded as a foregone conclusion. Democrats have only to do their duty on election day, and all will be well.

When voting day comes the soldiers of the Union will stand by the men who sustain the old Union. No other party is to-day doing that but the old Jackson Democracy.

At a late Democratic Mass Meeting in Montour county, a banner was carried bearing the significant inscription, "Bayonets or no Bayonets, WE VOTE."

Look Out

For lying Abolition handbills on the eve of the election. That is one of the stale tricks of the enemy.

SNEAKS.

Democrats, beware of men, who, pretending to be Democrats, go about assailing the candidates on the Democratic ticket and retailing the stale and ridiculous stories of the Abolitionists about "disloyalty," "treason," "sympathy with secession," &c. Such men are traitors to the Democratic cause! They are soul and body, the property of the Abolitionists! They have been bought with Lincoln greenbacks, to play the sneak and do the dirty work of our enemies.

A TRICK OF THE OPPOSITION.

The latest and most contemptible trick of the Republicans we have heard of is that of lending their voters to minors of that party to bet with voters of ours on the result in Pennsylvania, with a view to cheating Democrats out of their votes. Let our friends be on their guard. The Abolitionists are playing a desperate game.

Remember, Democrats, "a clean shot" this time.

The Revenue collectors are resting from their labors until after the election. They see that the draft has raised a wind and they fear to risk adding to the breeze lest they get up a whirlwind.

The Lost Found.

H. S. PATTON has returned, and is now at his room, prepared to wait upon those wishing any thing in the line of Dentistry. July 1, '63.
