I could not even keep a glass of water on my stom ach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, klough unsuccessfully, to rescue me trom the group of the dread Archer, frankly told me they could do no more for not, and advised me to see a clergy man, and to make such disposition of my limited tunds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forform hype, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. THALDERG, one of the most eminent planists in the world, says: "I have great pleasure in certifying that." I have tried your Planos, and find them equal, if not superior, to any in this country. Among their great qualities, which distinguish them, is the evenness of tone, the agreeable and easy touch, and volume of tone. Wishing you all the success you so highly deserve, I am, sir, yours truly.

C. GRODE, the well known composer, Wilmington, belaware, says that "they cannot be surpassed by any in the market." in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixtuce. I am indebted to my friead, Robert Shoemaker, Esq., for the removal of this prejudice by propertests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of thesa Bitters, at the beginning of the present year, was Solowed by evident relief, and estoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

We call the attention of all having friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camplife. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the disease organs are speedly removed. We have no histiation in stating that, if these Bitters were freely used among our soldiers, hunareds of lives might be saved that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters." nation's heroes, whose the, to use his own language, "has been saved by the Bitters."

PHPLHIADVLI, A ugus! 23rd, 1862.

Messrs. Jones & Evans:—Well gentlemen, your Hooftand's German Bitters have saved my life.—
There is no mistake in this. It is vouched for by nambers of my conrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated hattery, and under the immediate command of Capt. It. B. Ayers. Through the exposure attendant upon my aramous duties, I was attacked in November last with inflamation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and yett ontain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel dowa, it was immediately thrown up again. Rubber, &c., &c. Wholesale and retail buyers will find our stock large vell selected, and at the lowest prices. April 24, 1862—1y.
