

W. J. JONES, Editor. J. S. FRANKS, Editor. WAYNESBURG, PA.

Wednesday, Nov. 25, 1863.

FOR PRESIDENT IN 1864, GEN. GEO. B. McCLELLAN.

While the army is fighting, you as citizens see that the war is prosecuted for the preservation of the Union and the Constitution...

VOLUNTEERS. The meeting at the Court House, on Saturday last, concerning volunteering, was not as large as it should have been...

COUNTY MEETING TO PROMOTE VOLUNTEERING. On motion of Gen. Lazaar, Gen. Spencer Morris, of Dundark tp., was called to the Chair...

THE "UNION LEAGUERS." The "Union League" chaps are at work already here in Waynesburg, trying to proselyte Democrats to Abolitionism.

THANKSGIVING. In his proclamation setting apart Thursday, the 26th instant, to be a day of thanksgiving and prayer, Governor Seymour, of New York, makes a suggestion...

MOBE PROSCRIPTION AND INTOLERANCE. Notwithstanding the frequent cry of the Opposition about "no party," until the war is over, and "sick like," we see it stated in Republican prints that Judge Woodward is to be impeached before the next Legislature...

THE HOLMES COUNTY (D.) LATER, in speaking of the result of the late election, says, "we all have the consolation of knowing that Lazaar was licked by the dogs and lived."

GRANDAD HURD. Our feeble old friend, Bumflogus Hurd, of the "Brownsville Clipper," complains that we have stopped sending him the Messenger.

NARROW ESCAPE-ANOTHER OF "BIG JIM'S" FEATS. We last week had occasion to allude to a notable circumstance that occurred to our big-bodied and big-hearted partner, Col. Jennings, making brief mention of several sudden and extraordinary changes which had taken place in his appearance and deportment.

THE PROGRESS OF NEGROISM. The Philadelphia Age says: Wednesday evening at the church of the Epiphany, Rev. Stephen H. Tyng, in an address made by him, said among other things that the African race was the embodiment of the highest type of humanity...

CORPORAL EVANS. This arrogant poltroon and popinjay and malicious libeller, we are told, has again disgorged his usual quantity of filth, slang, bombast and venom. We have not even looked at, much less inspected, the fetid mass the fellow has thrown off this week...

ITEMS, POLITICAL AND OTHERWISE. AN ORDER.—The President has caused an order to be read to the army, threatening the soldiers with the severest punishment for speaking disrespectfully of him.

REPUBLICAN TREASON.—Extraordinary development have recently been made in the city of New York. Henry B. Stanton, the Deputy Collector of the Port and other prominent Black Republican officials of Mr. Lincoln's have been detected in the act of sending merchandise and supplies, in violation of law, to the rebel authorities at Richmond, of course receiving large pay and profits from Jeff Davis' Government.

A FEARFUL TRAGEDY. The most dreadful tragedy we have reported for many months, is that perpetrated by Isaac Wiler, a wealthy farmer of Clinton township, Wayne county, O., on the 20th ult. He attacked his wife in the night while she was asleep, shot her through the breast with a gun, and mangled her fearfully with a large butcher knife.

THANKSGIVING DAY. The different congregations and pastors of this place will unite in observing the ensuing Thanksgiving Day by assembling in the M. E. Church on next Thursday, (Nov. 26,) at 10 o'clock, A. M. Preaching by Rev. Mr. Wallace of the M. E. Church. A public collection will be taken up for the benefit of our sick and wounded soldiers.

THE LOST FOUND. D. S. PATTON has returned, and is now at his room, prepared to wait upon those wishing any thing in the line of Dentistry.

MARRIED. November 11th, 1863, by T. W. Taylor: Esq., Mr. GEORGE ANDERSON, of Washington Co., Pa., and Miss MARY HOSKINSON, of Greene Co., Pa.

DIED. At the residence of her parents, in Whiteley tp., Greene Co., Pa., Oct. 27th, 1863, Mrs. MARGARET STEPHENS, wife of Lindsay Stephens, and Daughter of Benson and Maria Fordyce, in the 19th year of her age.

M., the following property, viz: All the right, title, interest and claim of David A. Worley, John Lindsey and Geoffrey Gordon, of, in and to a certain tract of land situated in Marion and Franklin tps., adjoining lands of Abraham Butcher and Henry Campbell, containing 100 acres, more or less, on which are erected a two story brick house, frame, smoke house, well, and other out buildings; there is a good orchard of apple and other fruit trees on the premises, and nearly all of the land is cleared and in good cultivation, with abundance of timber and water on the premises.

THE SUPREME COURT OF NEW YORK has decided that arbitrary arrests are unconstitutional, and that the President has no more right to order them than any other person, neither in time of peace nor in time of war.

"BIG THING."—The "loyal" citizens of Allegheny county, that gave Curtin over seven thousand majority, furnished at the last draft 135 soldiers to "fight for the Union." All the rest of the draft 4,068, were exempted! This is a picture of abolition "loyalty!"

THE COST OF RADICALISM.—After exhausting a three years' army, after piling upon the shoulders of the nation a debt of two thousand millions, the President calls for a new army and looks forward to three more years, of equally costly and destructive war.

THE EDITOR OF THE MOUNT HOLLY HERALD, who is himself an upright and an honest Democrat, cannot understand why the Republicans now make so much of John W. Forney, since they, in former days, held him up as a great rogue and cheat.

WEDDINGS AND FUNERALS.—An exchange says that "it is a fact worthy of note that since the commencement of the rebellion more marriages have taken place than during any previous period of the same duration."

THERE were a number of young "patriots," in our midst, who during the last campaign, talked eloquently about the determination to "stand by the soldiers in the field."

AN snobbish writer in the London Times says of the late Lord Lyndhurst, "Great as he was, he bowed before the greatness of the Supreme Being." How very humble and devout, not to say condescending!

A negro with a white wife, living at Acquakonk, New Jersey, was tarred and feathered last week, by indignant neighbors, and the amalgamated couple ordered to leave the place.

A committee of the Vermont Legislature, to which was referred a bill giving the soldiers the privilege of voting while absent from the State, has reported that such an act would be in violation of the State constitution.

THE Administration seems to have overlooked New Jersey in the perpetration of enormous election frauds, with which it has visited other States, and N. Jersey is therefore Democratic, as usual.

Judge Bell, of N. H., has delivered a very elaborate opinion against the constitutionality of legal tenders.

THE rebels cannot expect to fill up their armies by volunteers when they don't half fill up any poor fellow after he does volunteer.—Pretence.
