AND THE FRIENDS OF SOLDIERS We call the attention of all having friends in the army to the fact that "HOOFLAND'S German Bis-ters" will cure nine-tenths of the diseaces induced by exposures and privations incident to campille. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the di-gestive organs are speedly removed. We have no hesitation in stating that, if these Ritters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be loat.
