Afflicted Read. --Hundreds afflicted with Consumption, Epilepsy, Palpitation of the
hility of the rystem General or Loc of Pains or Weakness, Night Sweats, Dinness of Sight, Fits of Desponkeryous Centres, never dream of the CAUSE of their
several afflictions. They treat results as it they were

causes; and so no relief is found.

WHAT IS THE CAUSE OF THESE DISEASES very frequently? There is the secret—solitary self-abuse, practiced by thousands.

Commenced when boys, at school or elsewhere, it is kept up even during abuse, practiced by thousands. Commenced when boys, at school or elsewhere, it is kept up even during young manhood, producing mental and physical prostration. If continued, these diseases, and even madness are the result. If the victim be conscious of the cause of his decay, and quit it, he suffers under those terrible nocturnal and involuntary emissions which weaken and shame him, till life becomes grievous.—Thus place between certain decay and premature death and horrible suffering, the wretched victim rushes to SELF-DESTRUCTION, or sinks to an untimely grave. If he emancipates himself before the practice has done its worst and enters matrimony, his marriage is unfruifful, and his sense tells him that this is caused by his early follies.

SUFFERING YOUNG MEN,
Let no false modesty prevent you from explaining yeur case to one whose acknowledged position in the medical profession, and respectal-filty in pr. vate life, point him as a private counselfor. Think not to eure yourself, and so tamper with a faculty, the destruction of which renders a man truly miserable. Come to Dr. KINKELIN, confide in him as thousands have done before you.

before you.

In short, to be cured radically of all forms of secret diseases, and roinous effects of self-indulgence, apply to the most successful and experienced Dr. KINKE LIN, German Physicis, Northwest corner of Third and Union Streets, between Spruce and Pine, a square and a half from the Merchants' Exchange, Philadel-phia na. Remember that STRICTURES of the URETHA are rapidly removed by the application of a new therapeu-tical agent, only used by Dr. K. PACKAGES OF MEDICINES, ADVICE, &c., for-

YOUNG, M. D.—I his most extraordinary book should be in the hands of every young person contemplating marriage, and every man o woman who desire to limit the number of their offspring to their circumstances. Every pain, disease, and ache incidental to youth, maturity, and old age, is fully explained; overy particle of knowledge that should be known is here given. It is full of engravings. In fact it discloses secrets that every one should know; still it is a book that must be locked up and not lie about the house. It will be sent to any one on the receipt of twenty-five cents, in specie or poetage stamps. Address Dr. WM. YOUNG, No. 416, Spruce St., above Fourth Philadelphia.

I under the care of any one of the notorious Quacks—native or foreign, who salvertise in this or any otherpaper, get a copy of Dr. Young's Block, and read iterre fully.
