From J. E. Johnston, Esq., Frakeman, Ohio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollais worth of medicines—The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Pills. Together they have cured me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SAESAFARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum,

Scald Head, Sore Eyes.

From Harrey Sickler, Esq., the able editor of the Tunckhannock Democrat, Pennsylvania.

Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skifful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heat when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die. Scald Head, Sore Eyes.

Syphilis and Mercurial Disease. From Dr. Hiram Stoat, of St. Louis, Missouri.
"I find your Sarsaparilla a more effectual remedy for the secondary symptoms of Syphilis, and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

best medicines we have."

From A. J. French, M. D., an eminent physician of Laurence, Mass., who is a prominent member of the Legislature of Massachusetts.

"DR. AYER—My dear Sir: I have found your SARSATARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success where a power-

ploy with more certainty of success, where a power-iul alterative is required." It alterative is required."

Mr. Chas. S. Van Licw, of New Brunswek, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of Ayen's Sarsaparilla relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alterative effect of this Sarsaparilla. Some cases require, however, in aid of the Sarsaparilla, the skilful application of local remedies.

Prom the scell-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your SARRAPARILLA an excellent alterative in diseases of females. Many cases of irregularity, Leucorrhoma, Internal Ulceration, and local debility, arising from the sanofulnus distribution. local detaility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not when its effect is properly aided by local treatment." A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have heen cured of a very debilitating Leucorrhea of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia. Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this Ext. SARSAPARILLA.
