St. Anthony's Fire, Rose, Salt Bheum, Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tunckhanuock Democrat, Pennsylvania.

Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent tore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any separantee his hands, lest with them he should tear open the festaring and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your BARSATARILLA, and hoplying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bettle, and was well when we had finished the second. The child's eyelsakes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child much the Syphilis and Mercurial Disease. Scald Head, Sore Eyes.

Syphilis and Mercurial Disease. From Dr. Hiram Sloat, of St. Louis, Hissouri.

'I find your Sarbararilla a more effectual remedy for the secondary symptoms of Syphilic disease than any other we possess. The profession are indebted to you for some of the best inedicture we have."

Prom A. J. French, M. D., an eminent physician of Laurence, Mass., who is a prominent member of the Legislature of Massachusetts.

"Dr. Aven — My dear Sir: I have found year Sarsapaullla an excellent remedy for Symbils, both of the primary and secondary type, and affectual in some cases that were too obstinate to yield so other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Lion of Non Remananch E. J.

Air. Chas. S. Van Liero, of New Brunsseck, N. J., had dreadful ulcers on his legs, caused by the above of mercury, or mercurial disease, which grew more and more agravated for years, in spite of every remedy or treatment that, could be applied, until the persevering use of AYER'S SARRAPARILLA relieved him. Few cases can be found more inveterate and distrassing than this, and it took several dozen hottles to cure him.

Leucorrhoza, Whites, Female Weakness, are generally produced by internal Scrofulous Ulcer-ation, and are very often cured by the alterative effect of this Sansaraulla. Some cases require, however, in sid of the Sansaraulla, the skifful application of local remedies. From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your SARRAPARILLA an excellent alterative in diseases of females. Many cases of irregularity, Leucorphon, Internal Ulceration, and local debility, arising from the scrothlous disthesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment." A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhea of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout. Liver Complaint, Dyspopsis. Heart Disease, Neuralgia. when caused by Scrofula in the system, are rapidly cured by this Ext. SARSAPARILLA.
