From Charles P. Gage, Esq., of the mid-ly-known firm of Gage, Murray 8 to, manufacturers of enamelied papers in Nathuat, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it distiguted my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your Sarsaparilla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotel. and continued until my face is as smooth as anybody, and I am without any symptoms of the disease that I know of. From J. E. Jelmston, Esq., Wakeman, Ohio.

Scald Head, Sore Eyes. From Harvey Sickler, Esq., the able editor of the Tunckhannock Democrat, Pennsylvania. From Harvey Sickler, Esq., the able educe of the Tunckhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forchead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparenteffect. For fifteen days we guarded his bands lest with them he should tear open the testering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Sarsaparatilla, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. From Dr. Hiram Sloat, of St. Louis, Missouri.

From A. J. French, M. D., an eminent physician of Lawrence, Alassa, who is a prominent member of the Legislature of Massachusetts.

"Dr. Ayen — My dear Sir: I have found your Sansaparellal an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. Mr. Chas. S. Van Lieve, of New Brunswek, N. Few cases can be found more in eterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weakness, are generally produced by internal Scropidous Ulceration, and are very often cured by the alterative effect of this BARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.

From the well-known and widely-celebrated Dr.

"I have found your SAESAPARILLA an excellent alterative in diseases of females. Many cases of irregularity, Lencorrhea, Internal Ulceration, and local debility, arising from the scrothlous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to o'llow the publication of her name, writes: "My daughter and myself have been cured of a very debilitating Lencorrhoea of long standing, by two bottles of your SARSAPARILLA." Rheumatism, Gout. Liver Complaint, Dyspepsia Heart Disease, Neura gia,
