HOPEWELL MILL PROPERTY,

situated 3 miles east of Waynesboro', Franklin county, Pa., on the big Antietam, two public roads crossing each other at the Mill.

The Mill is in complete running order, the mill house being built in every part, of the very best material, and in the most substantial manner. The subscribers have fully made up their minds to retire from the milling business, and hence offer this valuable property for sale. Any person therefore wishing to engage in the business would do well to attend this sale, as no doubt a great bargain will be obtained in the purchase of the property.

Sale will take place on the premises at 1 o'clock on the day above mentioned, at which time the terms will be made known by the undersigned.

INVALIDS DON'T DESPAIR!

Thousands have found relief and thousands will turn to this Medicine, after exhausting their purses and patience in search of health.

Giddiness of the head, dullness of the mind, fœtid breath, coated tongue, loss of appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and thirst, with a total disrelish for business, pleasure or any kind of employment. FAHRNEY'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms. The fluids of the body become pure, and mind clear, the stomach strengthened, the tongue clean, the appetite improved, and the whole system so benefited that disease, in bad weather, is less liable to afflict you.

Trade Dr. P. FAHRNEY'S Mark.

Celebrated

Blood-Cleanser or Panacea.

As a medicine for children, the Panacea is, in every way, calculated to take the place of the endless variety of drugs which are annually sold for that purpose, and which are often very injurious. A medicine which possesses the qualities of a cathartic as well as a mild alterative, and which is capable of arresting disease without the least injury to the child, is of incalculable value to every mother. As a cathartic, it is very effective, yet it does not, if given in proper quantities, cause nausea or distress to the stomach or bowels. It is very pleasant to the taste, which is a very important feature as a medicine for children. As a *preservative* of disease it is unsurpassed, as it acts directly upon the digestive organs and the blood. In all scrofulous diseases, it is the most effective medicine ever offered to the public; and, if given regularly and perseveringly, those eruptive diseases so common to children may be entirely eradicated.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and bald ness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.

CARSON'S STELLAR OIL!

THE alarming increase in the number of frightful accidents, resulting in terrible deaths and destruction of valuable property, caused by the indiscriminate use of oils, know under the name of Petroleum, prompts us to call your special attention to an article which will, wherever used, remove the cause of such accidents. We allude to CARSON'S STELLAR OIL FOR ILLUMINATING PURPOSES.

The proprietor of this oil has for several years felt the necessity of providing for, and presenting to the public, as a substitute for the dangerous compounds which are sent broadcast over the country, an oil that is safe, brilliant, and entirely reliable. After a long series of laborious and costly experiments, he has succeeded in providing, and offers to the public, such a substitute, in

"CARSON'S STELLAR OIL"

It should be used by every family because it is safe beyond a question. The primary purpose in the preparation of *STELLAR OIL* has been to make it Perfectly Safe, thus insuring the lives and property of those who use it. Its present standard of *SAFETY* and *BRILLIANCY* will always be maintained, for upon this the proprietor depends for sustaining the high reputation the *STELLAR OIL* new enjoys.

To prevent the adulteration of this oil with the explosive compounds now known under the name of kerosene, &c., &c., it is put up for family use in five-gallon cans, each can being sealed and stamped with the trademark of the proprietor; it cannot, therefore, be tampered with between the manufacturer and consumer. None is genuine without this trade-mark.

It is the duty and interest of all dealers and customers of illuminating oil to use the *STELAR OIL* only, because it alone is known to be safe and reliable. It is for sale by
