ROASTED ALIVE!

The following record of one day's accidents, all from the same cause, viz: the use of inferior Coal Oil, is taken from the Philadel-

phia Ledger of a recent date:

"The alarm of fire, last evening, at 7 o'clock, was caused by the burning of the
dwelling, corner of 16th and Poplar, resulting from the explosion of a coal oil lamp.—
Mrs. Hersh, occupying the second story of
the dwelling had retired to her department,
a few moments before the discovery of the fire. On entering her room, she was found lying on the floor, wrapped in flames."

"About 7 o'clock yesterday morning, a coal oil lamp in the hands of Sarah Alexan-

der, who lives on Cowslip St. near 16th.— She was severely burned. All such fearful accidents, resulting in death and the destruction of valuable property, may be avoided by using "CARSON'S STELLAR OIL," which is known to be a perfectly safe and reliable illuminator. It is for safe

eneral satisfaction.
