ROASTED ALIVE!
The following record of one day's accidents, all from the same cause, viz: the use of inferior Coal Oil, is taken from the Philadelphia Ledger of a recent date:
"The alarm of fire, last evening, at 7 o'clock, was caused by the burning of the dwelling, corner of 16th and Poplar, resulting from the explosion of a coal oil lamp. Mrs. Herch, occupying the second story of the dwelling had retired for her department, a few moments before the discovery of the fire. On entering her room, she was found lying on the floor, wrapped in flames."
"About 7 o'clock yesterday morning, a coal oil lamp in the hands of Sarah Alexander, who lives on Cowpens St. near 16th—she was severely burned."
"Margaret Colligan, residing in the rear of 618 South St., was burned by the explosion of a coal oil lamp. Her husband, while attempting to extinguish the flame, was also severely burned. Two of the above named victims have since died of their injuries."
All such fearful accidents, resulting in death and the destruction of valuable property, may be avoided by using "CARSON'S STELLAR OIL," which is known to be a perfectly safe and reliable illuminator. It is for sale by
Amberson, Benedict & Co., Waynesboro, Christian Good, Quincy. (Feb 28-1871.)

VEGETARIAN
HAIR
RENEWER.
Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY or FALLING HAIR to its youth and vigor, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical Hair-Dressing ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."
Sold by all Druggists and Dealers in Medicines.

PATENTED SEPT. 21 1866
FOR CUTTING RAY, STRAW, ROPE, ETC.
The merits of this machine consists in part, in the attachment of curved knives to the arms of the cutting wheel, the shearing out across the mouth-piece, the great power and directness of the blow, by which treble the volume of material is cut, with less power than is required by any other machine; those combined with its durability and simplicity of construction, command public attention. Nothing liable to get out of order, but what a boy could remedy with a pocket wrench.
Persons in want of machines of this description will do well by calling upon or addressing the undersigned. Good and responding Agents wanted to sell machines and territory.
The above Machine is now on exhibition at the Waynesboro Manufacturing Company's Office. Persons interested should call and examine it, for it is what every farmer should have.

CARSON'S STELLAR OIL!
THE alarming increase in the number of frightful accidents, resulting in terrible deaths and destruction of valuable property, caused by the indiscriminate use of oil, known under the name of Petroleum, prompts us to call your special attention to an article which will, wherever used, remove the cause of such accidents. We allude to **CARSON'S STELLAR OIL FOR ILLUMINATING PURPOSES.**
The proprietor of this oil has for several years felt the necessity of providing for, and presenting to the public, as a substitute for the dangerous compounds which are sent broadcast over the country, an oil that is safe, brilliant and entirely reliable. After a long series of laborious and costly experiments, he has succeeded in providing, and offers to the public, such a substitute, in **"CARSON'S STELLAR OIL"**
It should be used by every family because it is safe beyond a question. The primary purpose of the proprietor is to maintain the **OIL** has been to make it Perfectly Safe, thus insuring the lives and property of those who use it. Its present standard of **SAFETY** and **BRILLIANCE** is admitted by all honorable judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated—more durable in machinery—more durable—thrusting as much and yet cleaning better—with less power and more comfort to hands than any other machine in use—and besides all that it is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply the wants of all, we now make 4 sizes, viz: From 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from \$90 to \$135, and all fully and fully warranted. For further information send for circular and price list.

Ayres Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color.
A dressing which is at once agreeable, and equally effectual in preserving the hair from falling out, and restoring it to its original color, with the gloss and freshness of youth.
This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain may be saved for usefulness by this preparation. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted, merely for a
