The following record of one day's accidents, all from the same cause, viz: the use of inferior Coal Oil, is taken from the Philadelphia *Ledger* of a recent date:

"The alarm of fire, last evening, at 7 o'clock, was caused by the burning of the dwelling, corner of 16th and Poplar, resulting from the explosion of a coal oil lamp.—Mrs. Hersh, occupying the second story of the dwelling had retired to her department, a few moments before the discovery of the fire. On entering her room, she was found lying on the floor, wrapped in flames."

"Margaret Colligan, residing in the rear of 618 South st., was burned by the explosion of a coal oil lamp. Her husband, while attempting to extinguish the flame, was also severely burned. Two of the above named victims have since died of their injuries."

All such fearful accidents, resulting in death and the destruction of valuable property, may be avoided by using "*CARSON'S STELLAR OIL*," which is known to be a perfectly safe and reliable illuminator. It is for sale by
