RENEWER. Every year increases the popularity of this valuable Hair Preparation, which is due to merit We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR-DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

FIRST-CLASS WORKMEN & MATERIAL

this Machine just stands high above all of its class. As a thresher it is equal to the est, as a cleaner it is superior to any existing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushely we then grain direct from any other. bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impar-tial judges at all the State and County Fairs where it was thoroughly and practically-tested, in competition with other leading machines, always agree that it is more sim-ple—more easily understood and operated by those unskilled in machinery—more durable—threshing as much and yet cleaning TUBS, to hands than any other machine in use and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of pur-chasers, some of whom have had them in use for the last 18 years. To supply the wants of all, we now make 4 sizes, viz:— From a 2 Horse Railway or 3 Horse Lever Prom t 2 flotse family of 3 flotse fever Power, to a 10 Horse Lever Power, with prices ranging from \$190 to \$360, without power. We also make the latest impproved triple-geared Horse Powers, suitable for each size machine, ranging from \$90 to \$135, and all fully and fairly warranted. Aver's Cathartic Pills,

Medicine.

Perhaps no one medicine is so universally required by everybody as a catharity, nor was ever any before so universally required by everybody as a catharity, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild butefficient purgative Fill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have not, know that it cured them; those who have not, know that it cured them; those who have not is that it never fails through any fault or negglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take, while being purely vegetable, no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscers to purify the blood and stimulate it into healthy action—remove the obstructions of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these vills rapidly cure:—

For Byspepsia or Indigestion, Listlesses, Languor and Loss of Appeties, they should be taken moderately to stimulate the stom ach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Billions Headache, Sick Beadache, Jaundice or Green Sickmess, Bilsions Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or move the obstructions which cause it.

taken as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious decaugement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
