

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, calied "Tonics." "Appetizers," Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Diziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Elilous Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the off-prings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is zoon perceptible.

infinence that a market amplotement's soon perceptible.

For Infinmantory and Chronic Rhounantism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidows and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by deraugement of the Digestive Organs.

They are is Gentle Purgative as well as a Toxice, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pumples, Pustules, Boils, Carbuncles, Rine-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Disealorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

such cases will convince the most incredulous of their curative effects.

Cleanse the Vitinted Blaced whenever you find its impurities bursting through the skin in Pumples, Eruptions, or Sores; cleanse it when you find it obstructed and sliggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands preclain Virtuaga Birtzes the most wonderful Invigorant that ever sustained the sinking system.

Piu, Tapie, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is everput from the presence of worms. ogist: There is scarcely an individual upon the lace of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the hody that womes exist, but most the described homosters and sliny deposits that breed these living monsters of disease. No system of Medicine, no venifuges, no authelminities, will free the system from worms like these Bit-
