this Machine just stands high above all of its class. As a thresher it is equal to the best, as a cleaner it is superior to any exist-ing Machine. This is admitted by all honchine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more sim-ple—more easily understood and operated by those unskilled in machinery—more du-rable—threshing as much and yet cleaning rable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use—and besides all that is sold for less moley according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply toy wants of all, we now make 4 sizes, viz:—From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with Power, to a 10 Horse Lever Power, with prices ranging from \$190 to \$360, without power. Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, auch as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has any thing won so widely and so deeply upon the considence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision agains, sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this matidate for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its anastery over the disorders of the Lungs and Chroat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by its.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known, that we need not publish the certificates of them here, or do note than assure the public that its qualities are fully maintained.

Ayer's Ague Cure, For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dury's Ague, Periodical or Buious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic roisons.

poisons.

As ite name hoplies, it does Cirre, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in nowise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the weknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons either resident in, or travelling through mis matic localities, will be protected by taking the AGUE CURE daily.

For Inter Cossplaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Billious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.
