BOW MAN'S

Vånegar Bitters are not a vile Fancy Drink, nade of Poor Rum, Whiskey, Proof Spirits and Refuse fiquons, doctored, spiced, and sweetened to please the late, called "Tonics," "Appetizers," "Restorers," to, that-lead-the-lippler on to-drunkenness and ruin, that are a true Medicine, made from the native roots taste, called "Tonics," "Appetizers," "Restorers," &c., that lead-the-tippler on to-drunkenness and ruingbut are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stienulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, sale and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

means, and the vital organs waster beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Congha, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Billious Attacks, Palpitation of the Heart, Inflammatien of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the olisprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

influence that a makked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Biltous, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidueys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious

as a powerful agent in reheving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Diseolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vittated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veint; cleanse it when it is foul; your feelings will tell you when. 'Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim Vinugar Bitters the most wonderful Invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. 'Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no verninges, no anthelminities, will free the system from worms like these Bitters.

No system of Medicine, no vermitinges, no authelminitics, will free the system from worms like these Bitters.

Billious, Remittent, and Intermittent, Pevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdommal viscera. There are always more or less obstructions of the liver, a weakness and initiable state of the stomach, and great torpor-of the Lowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathlartic for the purpose equal to Dr. J. Walker's Vinega Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

The properties of Dr. Walker's Vinegar Bitters are Aperient, Diaphoretic and Carminative, Nutritions, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorilic, Alterative, and Amil-Bilions.

The Aperient and mild Laxative moneraies of Dr. Walker's Vinegar Bitters are the best safeguard in all cases of cruptions and malignant fevers, their balsamic, healing, and soothing properties protect the lumnors of the fances. Their Sedative properties allay pain in the nervous system, stousch, and boweis, either from inflammation, wind, coic, cramps, etc. Their Counter-Irritant influence extends throughout the system.
