HALL'S
VEGETABLE SERRICAN
HAIR
RENEWER.
Every year increases the popu-
larity of this valuable Hair Pre-
paration, which is due to merit
alone. We can assure our old
patrons that it is kept fully up to
its high standard; and it is the
only reliable and perfected prepa-
ration for restoring GRAY or FADEN
HAIR to its youthful color, making
it soft, lustrous, and silky. The
scalp, by its use, becomes moist and
clean. It removes all eruptions and
dandruff, and, by its tonic prop-
erties, prevents the hair from falling
out, as it stimulates and nourishes
the hair-glands. By its use, the
hair grows thicker and stronger.
In baldness, it restores the capillary
glands to their normal vigor, and
will create a new growth, except in
extreme old age. It is the most
economical Hair-Dresser ever
used, as it requires fewer applica-
tions, and gives the hair a splendid,
glossy appearance. A. A. Hayes,
M.D., State Assayer of Massachu-
setts, says, "The constituents are
pure, and carefully selected for ex-
cellent quality; and I consider it
the Best Preparation for its in-
tended purposes."
Sold at all Druggists and Dealers in Medicines.
Price One Dollar.

Buckingham's Dye.
FOR THE WHISKERS.
As our Renewer in many cases
requires too long a time, and too
much care, to restore gray or faded
Whiskers, we have prepared this
dye, in one preparation, which will
quickly and effectually accomplish
this result. It is easily applied,
and produces a color which will
neither rub nor wash off. Sold by
all Druggists. Price Fifty Cents.

METCALF'S
EXCELSIOR POST BORING
AND
WOOD SAWING MACHINE.
PATENTED, APRIL 16, 1872.

THE merits of this machine consists in
part, in the attachment of curved knives
to the arms of the cutting-wheel, the
shearing cut across the mouth-piece, the
great power and directness of the blow, by
which the volume of material is cut, with
less power than is required by any other
machine; these combined with its durability
and simplicity of construction, command
public attention. Nothing liable to get out
of order, but what a boy could remedy with
a pocket wrench.

Persons in want of machines of this de-
scription will do well by calling upon the
undersigned, for it is what every farmer
and possessor of land should have.

ing town as is the belief of many.) Hence he
intends carrying on the BOOT AND SHOE

GEISER'S
PATENT SELF-REGULATING
GRAIN SEPARATOR
CLEANER, BAGGER AND POWERS!
No implement more important to the
farmer than a First-class Grain Thresher and
Cleaner—for none pays him so well and so
speedily.
The above cut shows the only Geiser Ma-
chine now built under the immediate eye
of the old inventors themselves, with all the
additional improvements made during the
past 18 years, and now with
FIRST-CLASS WORKMEN & MATERIAL
this Machine just stands high above all of
its class. As a thresher it is equal to the
best, as a cleaner it is superior to any exist-
ing Machine. This is admitted by all honest
competitors. Indeed it is the only Ma-
chine that really can, by one operation,
thoroughly thresh and clean grain fit for
market. But the fact that grain direct from
this machine commands from 2 to 3 cents a
bushel more than grain direct from any other
machine, settles the question of its super-
iority as a cleaner over all others. Impar-
tial judges at all the State and County Fairs
where it was thoroughly and practically
tested, in competition with other leading
machines, always agree that it is more sim-
ple—more easily understood and operated
by those unskilled in machinery—more du-
rable—throws as much and yet cleaning
better—with less power and more comfort
to hands than any other machine in use—
and besides all that is sold for less money
according to capacity. These facts are
further attested by the thousands of pur-
chasers, some of whom have had them in
use for the last 18 years. To supply their
wants of all, we now make 4 sizes, viz—
From a 2 Horse Railway or 3 Horse Lever
Power, to a 10 Horse Lever Power, with
prices ranging from \$70 to \$360, without
power. We also make the latest improved
triple-geared Horse Powers, suitable for
each size machine, ranging from \$90 to \$135,
and all fully and fairly warranted. For
further information send for circular and
price list.
