Benney, Mass, July 18, 1869.

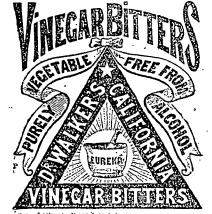

Dr. Radwy: —I have had Gwafan Timor in the ovaries and bowels. All the Doctors said "there was no help for it." I tried every thing that was recommended; but nothing helped me. I saw your Kesolvent, and thought I would try it; but had no faith in it, because I had antired for twelve year. I took saw bottles of the Resolvent, and one box of Radway's Pills, and two because of your Ready Relief; and there is not a sign of timnor to be seen or felt, and I feel better, smarter, and happier than I have for twelve years. The worst timner was in the left sude of the bowels, over the groin. I write this to you for the benefit of others. You can publish it if you choose.

CHAMBERSBURG, Sept. 2nd A. D., 1872. Gentlemen :- I have always held, and never hesitated to express, the opinion that the State of Peunsylvania is, in duty and honor, bound to make good the losses sustained by the people of the border counties during the late war. I have always thought too, that instead of the claimants for these losses being sent to the National Govern-Suits, ole 130 to 175 direct for re-imbursement, the State should first indemnify them, and then, through her representatives in Congress, demand payment of the National Government. To procure such action on the part of the State Legislature, it is of the highest importance that its members should be convinced that justice and equity are on the side of these claimants, and to convince them of this

fact, constant agitation of the subject is absolutely necessary.

1 can only say, in answer to the inquiry in your letter, that if I shall be chosen at the October election to represent Franklin courts in the agent A world he while half. county in the next Assembly, while I shall endeavor to pay due attention to the in-terests of all her people, it will afford me great pleasure and I shall esteem it my first duty, to press, in every honorable way for the payment of the Border Damago Yours truly W.
