daughter of a New York millionaire, and ran away some twelve or fifteen years ago with her father's coachman. Her brother incensed at the marriage and laying the whole blame on the coachman, threatened to shoot him and hunted for him,-The man, taking alarm, ran away and left the young bride to her own resources. Her family, though immensely wealthy, discarded her and refused her the slightest aid, and as a natural consequence of her unfortunate marriage and desertion she sank in the social scale until she came to die in a hovel, surrounded by squalor, poverty and filth, the victim of a hand-to-hand fight with a drunken colored woman. It is supposed she is the young lady of the Dean-Boker case, which, was

up in New York some years ago, and in which the press of that city espoused the coachman's cause-The Herald especially. For a time it was the sensation of the to \$11,70.

country, as much so as the Burdell murder. The man was described as young and handsome, the girl not very bright. The father tried to have the marriage set no response. Arrearages \$10,00. aside and failed. The coachman's name was Boker, the father's Dean .- American.

A most fatal malady-an affection of the throat and lungs-has broken out among the horses in certain sections of the country. In the cities in which it first -made its appearance it has lost nothing of its malignant character, and it is constantly spreading to neighboring places. More than thirty thousand horses are disabled in New York. Six hundred cars have been withdrawn from the street railsive. ways, and the hackmen whose teams still hold outsare the masters of the situation. They charge enormous fares, which are generally paid with thankfulness. In Boston most of the work horses have been terested parties are W. A. Price, Alex. Leeds, James Robinson and A. D. Morwithdrawn from the street, and the haulganthall. As soon as a sufficient number ing of parcels is done in hand-cars drawn by men. The railroad depots in Buffilo of members are obtained an organization will be had by an election of officers.and Rochester are blocked up with freight, which cannot be delivered for want of and at the store of Brackbill & Goiser. drays. Many of the express companies have put up notices, "No more freight received." The loss suffered every day ceivel." The loss surface and the suspension of transportation
