Vinegar Bitters are not a vile Fancy Drink, tade of Poor Rum, Whiskey, Proof Spirits and Refuse aduors, doctored, spiced, and sweetened to please the stee, called "Tonics," "Appetizers," "Restorers," c., that lead the tippler on to drimkenness and rum. Laquors, the course, special and course, "Restorers," taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and rum, but are a true Medicine, made from the native roots and herbs of California-free from all Atcoholic Sumulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy cone tion, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take tince Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair. Dyspepsia or Indigestion. Headache, Pain

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Diziness, Sour Erucations of the Stomach, Bad Taste in the Mouth, Billous Attacks, Palpitation of the Heart, Inflammation of the Lings, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one hotte will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Batters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Resumatism and Gout, Dyspepsia or Indigestion, Bilhous, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused, by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Genetic Purgnitive as well as a Tonic, possessing also the peculi ir merit of acting as a powerful agent in reheving Congestion—or Inflammation of the Liver and Visceral Organs, and in Billious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-

mation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pumples, Puttules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally due up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vittated Blood whenever you find its impurities bursting through the skin in Pimples,

common and whenever you find its impurities bursting through the skin in Pinples, Eruptions, or. Sores; cleanse it when you, find it obstructed and eluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim Vinegara Bittess the most wonderful invigorant that ever sustained the sinking system.

TRES the most wonderful Invigorant that ever sustained the sinking system.

Plu, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no verninges, in anthelimbitics, will free the system from worms like these. Bitters.

No system of Medicine, no vernifuges, no anthelminics, wil free the system from worms like these. Bitters.

Mechanical Diseases. Persons engaged in Paints-and Minerals, such as Plumbers, Type-setters, Gold-heaters, and Miners, as they advance in fire, will be subject to paralysis of the Bowels. To guard against this take a dose of Walker's Vingdak Bitters oncorrives a week as a Preventive.

Billous. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Ditters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by reso ving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure

The properties of Dr. Walker's Vinhorn Bittens, are Apericut, Disphoretic and Carminaive. Nutritions, Laxative, Duretic, Sedative, Counter-Irritant, Sudoritic, Alterative, and Anti-Bhilons.

The Apertent and mild Laxative properties of Dr. Walker's Vinhorn Bittens are the best safeguard in all cases of eruptions and malignant fevers, their balsamic, healing, and southing properties protect the humors of the fugges. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wond, coife, cramps, etc. Their Counter-tritant influence extends throughout the system. Their Directic properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, etc.

Fortify the body against disease by purfying all its fluids with Vinhora Bittense. No epidemic can take hold of a system thus forearmed. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.
