Gold-beaters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS once or twice a week, as a Preventive.

Bilious, Remittent, and Intermittent Pevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkanasa, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roancke, James, and many ethers, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach and great torpor of the bowles, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Berofula, or King's Evil, White Swellings, Ulcers, Eryspielas, Swelled Neck, Goiter, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Spres, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away ORIENTAL

The Aperient and mild Laxative properties of Dr. Walker's Vinegar and milgiant fevers, their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from infammation, wind, colic, cramps, etc. Their Counter-Irritant influence extends throughout the system. Their Diurette properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharges strongth the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, etc.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus forcamed. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.
