Dr. P. FAHRNEY'S Celebrated Blood Cleanser or Panacea.

As a medicine for children, the Panacea is, in every way, calculated to take the place of the endle-s variety of drigs which are annually sold for that purpose, and which are often every injurious. A medicine which possesses the qualities of a cathartic as well as a mind alterative, and which is capable of arresting dise, a without the least injury to the child, is of imalculable value to every mother. As a cathartic, it is very elective, yet it does not, if given in proper quantities, cause manses or distress to the stomethor bowels. It is very pleasant to the taste, which is a very important feature as a medicine for children. As in recentive of disease it is unprecedented, as it acts directly upon the digestive organs and the blood. In all scrotiles of disease it is the most elective medicine ever o'ered to the public; and, if given regularly and persevering, those eruptive diseases so common to children may be entirely gradiented. cominon to children may been trely eradicated Prepared by P. Vinegar Bitters are not a vile Faincy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spired, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the timeler on to drunkemess and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy cond tion, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, sale and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dissiness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Billous Attacks, Palpitation of the Heart, inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Fennale Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumastism and Gout, Dyspepsia or Indigestion, Billious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated-Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit Vinegar Bitters are not a vile Fancy Drink, nade of Poor Rum, Whiskey, Proof Spirits and Refuse

as a powerful agent in 'reheving Congestion or Instammation of the Liver and Visceral' Organs, and in Billous Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dog up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleamse the Vittated Blood whenever you find it impurities bursting through the skin in Pimples, Eruptions, or Sores; cleamse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousaneds proclaim Vinecas Birters the most wonderful luvigorant that ever sustained the sinking system.

Plin, Tape, and other Worms, lurking in the system of so many thousands, are effectually deatroyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy, deposits that breed these living monsters of disease, No system of Medicine, no vermituges, no anthelminities, will free the system from worms like these Bitters.

Mechanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Minera, as they advance in life, will be subject to paralysis of the Bowles. To quard against this take a dose of Walker's Vinegar Bitters once or twice a week as a Preventive.

Billous, Remittent, and Intermittent
Fovers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkanasa, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably, so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the Lowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no calibratic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs. the iver, and generally restoring the heatiny functions of the digestive organs.

Scrofula, or King'a Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goiter, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eves, etc., etc. In these, as in all other constitutional Diseases, Walker's Vinegar Bitters have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in 4 similar manner. By purifying

act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

The preperties of Dr. Walker's Vinegar Bitters are Apericut, Diaphoretic and Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

The Apericut and mild Laxative properties of Dr. Walker's Vinegar Bittergraf are the best safeguard in all cases of eruptions and malignant fevers, their balsamic, healine, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, etc. Their Counter-Irritant influence extends throughout the system. Their Durretic properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, etc.

Fortify the body against disease by purfying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus forearmed. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorati.
