Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," Restorers," &c., that lead the tippler on to drunkenness and ruiu, but are a true Medicine, made from the mative roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Isvigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy cone tion, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Couglts, Tightness of the Chext, Dizziness, Sour Enucations of the Stomach, Bad Taste in the Mouth, Billous Atracks, Palpitation of the Heart, Infammation of the Lines, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Fonsele Complaints, in young or old, married or single, at the dawn of womanload, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

Poe-Indemniatory and Chronic Riteumatism and Gout, Dyspepsia or Indigestion, Bilous, Remittent and Intermittent Feyers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

Cleanse the Vitinted Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no vernifuges, no antipleninities, will free the system from worms like these Bitters.

Micohamical Disonses. Persons engaged in Paints and Mineral, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life; will be subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS once or twice a week, as a Preventive.

Billious, Remittent, and Informittent Fovers, which are an pregatent in the vallers of our or twice a week, as a Preventive.

Bilious, Remittent, and Informittent Fovers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississipu, Ohio, Missouri, Iliniois, Tennessee, Cumberland, Arkamaa, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobie, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of musual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscers. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the Lowels, being clogged up with vitated accumulations. In their teatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinkoar Bittier, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the digestive organs.

Secrétais, or Kinag's Evil, White Swellings, Uicels, Erysipelas, Swelled Neck, Goiter, Scrönious inflammations, Indolent Inflammations, Mercurnal Affections, Old Sores, Eruptions of the Skin, Sone Eves, etc., etc. In these, as in all other constitution ID-seases, Walker's Vinkoar Bitters, and other constitution ID-seases, Walker's Vinkoar Bitters, and other constitution ID-seases, Walker's Vinkoar Bitters, and other constitution of Diseases, walke

etc., etc. in the set, as an other constitution of cases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters. act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure the affected parts receive health, and a permanent cure is effected.

The properties of Dr. Walkers's Vinegar Bitters are Aperient, Diaphoretic and Carminative, Nutritions, Laxative, Diuretic, Sedative, Counter-Irritant. Sudorific, Alterative, and Anti-Bilious.

The Aportent and mild Laxative properties of Dr. Walkers's Vinegar Bitters are the best safegrand in all cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, etc. Their Counter-Irritant influence extends throughout the system. Their Diurette properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilinus Fever, Fever and Ague, etc.

Fortify the body against disease by purfying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus forearmed. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.
