Vinegar Bitters are not a vine Frincy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers, etc., that lead the tippler on to drunkendress and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison on other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizniness, Sour Eructatious of the Stomach, End Taste in the Mouth, Billious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better, guarantee of its merits than a lengthy advertisement.

For Femnale Compilaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Butters display we decided an influence plant a marked improvement is soon perceptible.

influence that a marked improvement is soon perceptible.

For Issammatory and Chronic Riseumatism and Gout, Dyspepsia or Indigestion, Bihous, Remittent and Intermittent Fever, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Furgative as well as a Torle, powersing also the peculiar ment of acting as a powerful agent in releving Congestion or Inflammation of the Liver and Visceral Organs, and in Britons Diseases.

Cleanse - the Viliated Blood whenever you find its impurities bursting through the skin in Primples. Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Gratefall chousands proclaim Vinigan Bitters, the most wonderful Invigorant that ever sustained the sinking system.

Phis Tape, and other Worms, larking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physical ogist: There is scarcely an individual upon the tace of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but mon the diseased humans and slimy deposits that breed these living monsters of disease. No system of Medicine, no vermifuges, no antihelminities, will free the system from worms like these Bitters.

Bicchanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, will be subject to paralysis of the llowels. To guard against this take a dose-of Walkers-Vinegas-Bitters.—

Bittous, Remittent, and Internstitent Pevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mohie, Savamah, Roamoke, James, and many others, with their vast tributaries, throughout our entire country during the Simmer and Autumn, and remarkably so during seasons of musual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdommal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulatio

able cases.

Dr. Walker's California Vinegor Hitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure The properties of Dr. Walker's Vinegar The properties of Dr. Walker? Vinkgar Bitters are Aperient, Diaphoretic and Carminative, Nutrations, Laxative, Diaretic, Sedative, Counter-Irritant, Sudorine, Alterative, and Anta-Bilhous.
The Aperient and mild Laxative properties of Dr. Walker? Vinkgar Bitters are the best safeguard in all cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, coic, cramps, etc. Their Counter-Irritant, influence extends throughout the system. Their Dutrette properties act on alse Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, etc.

Fortify the body against disease by purfong all its fluids with Vinkgar Bitters. No epidemic can take hold of a system thus forearmed. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.
