Vinegar Bitters are not a vile Fancy Drink, ade of Poor Rum, Whiskey, Proof Spirits and Refuse made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkengess and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy cond. tion, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

Dyspepsia or Indigestion. Headache, Pair in the Shoulders, Coughs, Tightness of the Chest, Dispiness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Billious Attacks, Palpitation of the Heart, Inflammatism of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptonic, are the olisprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

Por Inflammatory and Chronic Ricus. For Inflammatory and Chronic Rheutematism and Gout. Dyspepsia or Indigestion, Bilous, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, Ipsae Bitters have been most successful. Pin, Tope, and other Worms, lurking in Pin, Tope, and other Worms, turking in the system of so many thousands, are effectually de-stroyed and removed. Says a distinguished-physiol-ogist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no vermifuges, no antheimin-ities, will free the system from worms like these Bit-

Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobils, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our antire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Yimegar Birters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the restoring the secretions of the liver, and generally remove the cases.
