they are destined to entire defeat.

The Herald this morning publishes a progress in Louisana? a conflict which, if lengthy special giving the details of the failure of the great Arctic expedition not speedily suppressed, may involve which-started-for-the-Arctic-regions-inbloody and dangerous results. The Warthe steamer Polaris about two years ago, and the death of Captain Hall, together with the loss of a portion of her crew.

> The following is taken from a despatch sent by the Herald's correspondent: BAY ROBERTS via. St. Johns, N. F.,

May 9, 1873 The steamer Walrus, which arrived from the seal fishery at the port of St. Johns this morning, brings news that the steamer Tigress had came into Bay Roberts, eighteen miles from here, having on board nineteen survivors of Hall's Arctic

The steamer was boarded by a Herald correspondent who learned that the survivers were taken off an iceberg by the Tigress, on the 30th of April last, after they had spent one hundred and ninety days on the floe. The following are the names of those rescued: H. C. Tyson, assistant navigator: Frederick Mever. meteorologist; Mr. Herron, steward; W. C. Keiger, Frederick Jamka, Wm. Wenlemann, Fred, Antnig, Gustavous T. Lingnist, and Peter Johnston, all seamen: Wm. Jackson, cook : Esquimaux Joe, interpreter; Hannah and child, Esquimaux, Hans Christian, of Kane's Expedition, and Hans Christians wife and four Md.

This party, which had been landed from the Polaris, were driven from her New York Cotton Exchange pledged to decision there is no appeal until the reas- by a gale on the 15th of October. When sembling of Congress. Whether the Pres- | they last saw the Polaris she was under ident's decision be correct or not, it is steam and canvas making for a harbor on the east side of Northumberland Island. She had no boats left of the six which she brought from the port of New York. Of the boats which left on the northern expedition, two were landed on the ice on the 26th with Captain Tyson's other is on board the Tigress. The Polaris was in command of Captain Budington, who had thirteen of the crew and plenty of provisions; she was making water badly, her bow being damaged, and the survivors think the vessel will not be able yet to clear before July, and if the ship is then unseaworthy the crew would have to make the boats to effect their es-

Captain Hall died on the 8th of November, 1871 of apoplexy, and was buried on shore, a wooden cross being erected to mark his grave. He had recently returned from a northern sledge expedition and seemed in usual health when he was suddenly struck down and expired to the great grief of those around him. In September 1871, the Polaris entered winter quarters, and left August 12th, 1872.der his fellow criminal, Nicholson, and At times I have felt all right and would The ice was very heavy and set in a south failing to reach him, savagely attacked determine to try and do bettar; but it has ern direction. She was forced south and Deputy Marshal Frey. The utmost conson and party were driven from her.

Sea, which they pronounced to be a strait about fifteen miles wide. There was the appearance of open water to the north.-The rescued party suffered very much from hunger and cold. For the last two months they ate raw seal and Polar bears as they could get it. When met by the l'igress they showed evident signs of great suffering, but during their stay on board they improved vastly, and are now in fair health. The party is in charge of the United States Consul, and will arrive at St. Johns on Monday next.

Dakes Ames, whose recent death has been recorded, was the central figure neighbor's house and left them, saying he had killed their father and was going was a man of more than ordinary intelligence, great business tack and iron nerve. THE CEMETERY MOVEMENT.—We are ing made in securing stock to the propostime regret to learn that what we have in these columns that would admit of such a construction. But if such has been the another sight in advance were, we think, equally in error.

is a public necessity, and we think our citizens without any exceptions should afford those who have taken the matter in hand all possible aid and encouragement. site to suit the views of each and every individual. The only plan then to sucmake up the necessary amount of subscriptions. This done, leave the selection of the ground to a majority of the stockholders. To this we think no reasonable person-should-object, nor-would-there he any grounds for withholding subscriptions under such circumstances. The person who would not be willing to abide by the neck and a stone attached to it. decision of the majority of his fellow citizens in a matter of this kind would certainly be regarded as very unreasonable. We therefore appeal to the citizens of the let this Cemetery movement go to naught one ounce of surphur in one quart of wathrough selfishness and want of harmony. Whether the site finally selected suits our particular views or not, let us have a Cemeterv. A failure now and feint hopes will be left for one in the future.

NUNNERY MEETING .- Owing to th previous rain and threatening appearance of the weather on Saturday morning the attendance at the annual meeting of Snow Hill Society was not so numerous as on former occasions, but it seems the "roughs" or "white trash" were well represented. and as a consequence, the occasion was made a scene of the most disgraceful debauchery and rioting. Among this class of the spectators flasks of liquor were freely circulated, boys as well as men imbibing the liquid fire, until a hand to hand encounter ensued, in which we are told some forty or fifty persons were engaged. The disgraceful proceedings was finally stayed by Sheriff Greenawalt who happened on the ground. The members of Snow Hill Society are peacable and law-abiding citizens, and should be protected against such lawless exhibitions.

The article on first page from the Sabbath Recorder, we publish by request of a member of the Snow Hill Society .-A petition for an act by the Legislature scouting parties are in close pursuit. referred to, was circulated in this place and vicinity last fall and was very gener-Owing to the almost continuous ally signed by members of the different wet weather during the past few weeks the denominations. HASSON'S COMPOUND SYRUP OF TAR.

This celebrated preparation for the cure of coughs and colds, long and favorably known in most of the Northern States can now be had at the principal Drug Stores and Dealers in the United States. It is an infallable remedy for the cure of coughs and colds, hoarseness, sore throat, bronchitis and croup in children. For the cure of chronic catarrhs and asthma, it never fails in curing the worst cases. For hooping cough and croup, there is no preparation known to the profession superior to it. It will relieve hooping cough in an hour or two, and a few bottles will make a permanent cure of Asthma. It is no private quack preparation. It was originally prescribed by some of the most celebrated physicians in the United States, and is now recommended by the most eminent doctors throughout the country. The proprietors are willing to give a ull list of the ingredients it contains to anv respectable physician, but its own merits aalone can recommend it to their favor and their patronage.
Price 50 cents per bottle.

Sold by all Druggists and Dealers through-
