As a medicine for children, the Panacea is, in every way, calculated to take the place of the endless variety of drugs which are annually sold for that purpose, and which are often very injurious. A medicine which possesses the qualities of a cathartic as well as a mind alters ative, and which is capable of arresting disease without the least injury to the child, is of independent of every mother. As a cathartic, it is very effective, yet if does not, if given in proper quantities, cause manses or distress to the stometh or bowles. It is very pleasant to the taste, which is a very important feature as a medicine for children. this Machine just stands high above all oits class. As a thresher it is equal to the best, as a cleaner it is superior to any existing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2-to 3 cents this machine commands from 2-to 3 cents thushel more than grain direct from any other machine, settles the question of its superiority as a claim over all others. Impariously also at all the State and County Fair. tial judges at all the State and County Fair-where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operater by those unskilled in machinery—more durable—threshing as much and yet cleaning better—with less power and more comfor to hands than any other machine in use and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in chasers, some of Whom have had them in use for the last 18 years. To supply tou wants of all, we now make 4 sizes, viz:— From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from \$190 to \$360, without power. We also make the latest improved triple-geared Horse Powers, suitable for each size machine, ranging from \$90 to \$135, and all fully and fairly warranted. influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rhoumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangment of the Digestive Organs.

They are a Gontle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

No system of Medicine, no vernifuges, no antheinmitics, will free the system from worms like these Bitters.

Mochanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, with the subject to paralysis of the Bowels. To guard against this take a dose of Walker's Vinedar Bitters once or twice a week as 2 Preventive.

Billous, 'Remittent, and Intermittent Fewers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkausay, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, Janes, and many others, with their vast tributaries, throughout our entire country during the Summer and Autunu, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purguive, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinggar Bitters, as they will speedily femove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digreative organs.

etc., etc. In these, as in all other constitutional Dis-cases, Walker's Vinegar Bitters have shown their great curative powers in the most obstinate and intract-able cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.
