Dr. E. F. GARVIN'S SOLUTION AND COMPOUND ELIXING

FIRST AND ONLY SOLUTION ever made in one mixture of ALL THE TWELVE valuable active principles of the well known curative agent, PINE TREE TAR.

SPECIFIC FOR CONSUMPTION! This all-powerful vegetable preparation expels from the lungs and air passages the mucus and muco-pus produced by pulmonary indusquation, heals the friented membranes, and renovates every organ which utilizes the breath of life. It contains no superjung poison, and is in all respects a healthful medicine. The rapidity and certainty with which it

ANNIHILATES A COUGH is astonishing. Its effects go deeper than the mere symptoms of pulmonary disease and discharge the cause from the system. It relieves the lungs, chest and throat from the burdens which oppress them, thus arresting Consumption and Biomelitis in the green before they reach the more dangerous stages. The emaciated sufferer

BATTLING FOR LIFE with the most terrible scorred of our climate will find DR. GARVIN'S TAK REMEDY a pouent ally, and will assuredly win the tight by adhering strictly to this balsomic medicine. By its VITAL-IZING, PURIFYING and STIMULATING effects upon the general system, it is remarkably efficacious in all

DISEASES OF THE BLOOD. Including Scrottle and Emptions of the Skin. Dys-pepsia, Diseases of the Liver and Kidneys, Heart Disease, and General Debility. The TO CASES NOW ON RECORD in which it has been administered with entire sue cess as a remedy for every variety of malalies which affect the respiratory functions, amount to

THOUSANDS at the present date, and yet the preparation is only in the infancy of its usefulness. The great defect of all Expectorants introduced is that they are simply expulsory. Hence they are useless; for unless the causes of the aerid secretions which are coughed up are removed, and the ruptured, infamed or materiated surfaces healed and restored to their natural tone, a cure is impossible.

DR. GARVIN'S tar remedies,

mplish these objects. The mucus and muco-which are the consequences of Lung Diseases, thrown off by them, unite at the same time soothe and invigonate the weakened tissues. As STERLING REMEDIES for coughs, colds, influenza, broachial difficulties, catarrh, asthma, diseases of the heart, liver, stomach and bowels, all female weaknesses, diseases of the skin, inflammation of the lungs, and all disorders of a pulmonary nature, they have never been equalled.

No implement more important to the rmer than a First-class Grain Thresher and Cleaner-for none pays him so well and so

this Machine just stands high above all o its class. As a thresher it is equal to the best, as a cleaner it is superior to any existing Machine. This is admitted by all honest competitors, Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushelm area than grain direct from any other states. bushel more than grain direct from any oth er machine, settles the question of its supe riority as a cleaner over all others. Impar-tial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled ih machinery—more du-rable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in useand besides all that is sold for less moiley according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply tou wants of all, we now make 4 sizes, viz:— From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from \$190 to \$360, with at power. We also make the latest imported triple-geared Horse Powers, suitable for each size machine, ranging from \$90 to \$135, and all fully and fairly warranted.
