Dr. E. F. GARVIN'S SOLUTION AND COMPOUND ELIXIR

# FIRST AND ONLY SOLUTION ever made in one mixture of ALL THE TWELVE, valuable active principles of the well known curative agent,

PINE TREE TAR. SPECIFIC FOR CONSUMPTION!

This all-powerful vegetable preparation expels from the lungs and air passages the mucus and muco-pus preduced by pulmonary inflammation, heals the irritated membranes, and renovates every organ which utilizes the breath of life. It contains no surpefying poison, and is in all respects a healthful medicine, The rapidity and perfainty with which it

ANNIHITATES A COUGH is astroighing. Its effects go deeper than the mere symptones of pulmonary disease and dischauge the cause from the system. It relieves the lungs, chest and throat from the burdens which oppress them, thus arresting Consumption and Bronchitis in the germ before they reach the more dangerous stages. The emaciated sufferer

BATTLING FOR LIFE with the most terrible scourge of our climate will find DR. (JARVIN'S TAH REMEDY-a-potentially, and will assuredly win the dight by adhering strictly to this balsamic medicine. By its VITAL-IZING, PURIFYING and STIMULATING enects upon the general system, it is remarkably officious in all DISSEASES OF THE ELOOD.

DISEASES OF THE BLOOD. Including Scrottla and Eruptions of the Skin, Dyspenda, Diseases of the Laver and Kidneys, Heart Disease, and General Debility. The • CASES NOW ON RECORD

in which it has been administered with entire sur cess as a remedy for every variety of maladies which affect the respiratory functions, amount to THOUSANDS

at the present date, and yet the preparation is only in the infancy of its usefulness. The great defect of all Expectorants introduced is that they are simply expulsory. Hence they are useless; for, unless the causes of the aerid secretions which are coughed up are removed, and the ruptured, inflamed or materated surfaces healed and restored to their natural tone, a cure is impossible. DR. GARVIN'S TAR REMEDIES.

accomplish these objects. The mucus and muco-pus which are the consequences of Lung Discuses, are thrown off by them, while at the same time they southe and invigorate the symmetric discuss. As STERLING REMEDIES for coughs, colds, influenza, bronchial difficulties, carnerh, asthma, discuss of the heart, liver, stomach and boyels, all founds weakinesses, discusses of the skin, inflammation of the lungs, and all discusies of a palmonary nature, they have never benequalled.

Celebrated

Blood Cleanser or Panacea.

As a medicine for children, the Panacea is, in every way, calcalated to take the place of the endless variety of drags which are annually sold for that purpose, and which are often very injurious. A medicine which no seeses the qualities of a cathartic as well as a mish after alve, and which is capable of arresting diease without the least injury to the child, is of "...alculable value to every moliter. As a cathartis, it is very clientive, yet it does not, if given in proper quantities, can-o mausen or distress to the stometh or bowless. It is very pleasant to the tasle, which is a very important feature as a medicine for children. As a greenality of disease it is unprecedented, as it acts directly inportant feature as a medicine for children. As a greenality in the public, and, it given regularly and perseveringly, those crupits of diseases to common to children amy be entirely endicated.

GEISER'S

PATENT SELF-REGULATIN

No implement more important to the farmer than a First-class Grain Thresher and Cleaner—for none pays him so well and so

The above cut shows the only Geiser Machine now built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with

FIRST-CLASS WORKMEN & MATERIAL

this Machine just stands high above all of its class. As a thresher it is equal to the best, as a cleaner it is superior to any exists ing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really gan, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more sim-ple—more easily understood and operated by those unskilled in machinery—more du-rable—threshing as much and yet cleaning better-with less power and more comfort to hands than any other machine in useand besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply tou wants of all, we now make 4 sizes, viz:—From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from \$190 to \$360, without power. We also make the latest impproved triple-geared Horse Powers, suitable for each size machine, ranging from \$90 to \$135, and all fully and fairly warranted.
