

NEW DISCOVERY

In Chemical and Medical Science.

Dr. E. F. GARVIN'S SOLUTION AND COMPOUND ELIXIR OF TAR

FIRST AND ONLY SOLUTION ever made in one hundred parts of pure Tar with valuable active principles of the most potent medicinal plants.

PINE TREE TAR SPECIFIC FOR CONSUMPTION!

This all-powerful vegetable preparation expels from the lungs and air passages the mucus and phlegm produced by pulmonary inflammation, breaks the inflamed membranes, and restores every organ which suffers from the effects of chronic cough, croup, asthma, and all other respiratory ailments.

ANNIHILATES A COUGH

in breathing. It is more effective than the most powerful of any other cough medicine, and it restores the voice, relieves the chest and throat from the irritation of chronic cough, and restores the system to its normal condition.

BATTLING FOR LIFE

with the most fertile source of our climate will find Dr. Garvin's Tar Remedy a potent ally. It will assist in the battle against the most insidious of all diseases, the Tubercular Consumption.

DISEASES OF THE BLOOD

including Scrophulous and Eruptions of the Skin, Pimples, Diseases of the Liver and Kidneys, Heart Disease, and General Debility.

CASES NOW ON RECORD

in which it has been administered with entire success to every case of chronic cough, croup, asthma, and all other respiratory ailments, amounting to thousands.

THOUSANDS

at the present date, and yet the preparation is only in the infancy of its usefulness. The great defect of all other cough medicines is that they are simply expectorants. Hence they are useless in the case of the most obstinate cough, and in fact, they are the cause of the most serious and fatal complications.

now opening at No. 1 AMBERSON, BENEDICT & CO'S

GEISER'S PATENT SELF-REGULATING GRAIN SEPARATOR

CLEANER, BAGGER AND POWERS!

No implement more important to the farmer than a First-class Grain Separator and for none pays him so well and so speedily.

The above cut shows the only Geiser Machine now built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with

FIRST-CLASS WORKMEN & MATERIAL

this Machine just stands high above all other class. As a thrasher it is equal to the best, as a cleaner it is superior to any existing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from his machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impartial judges at all the State and County Fairs have pronounced it the most practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled in machinery—more durable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use—besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply 1000 sets of all we now make in sizes, viz: From a 2 Horse Railway or 3 Horse Level Power, to a 10 Horse Level Power, with prices ranging from \$100 to \$300, without power. We also make the latest improved triple-gear Horse Powers, suitable for such size machine, ranging from \$90 to \$135 and all fully and fairly warranted. For further information send for circular and price list. Responsible Agents in Territory not introduced. Address.
