**DR. E. F. GARVIN'S**  
SOLUTION AND COMPOUND ELIXIR  
**TAR**

FIRST AND ONLY SOLUTION ever made of the purest of the TWELVE valuable active principles of the well known carter agent, **PINE TREE TAR.**

**SPECIFIC FOR CONSUMPTION!**

This all-powerful vegetable preparation expels from the lungs and air passages the mucus and mucous phlegm, soothes and discharges the inflamed and irritated membranes, and renovates every organ which utilizes the breath of life. It contains no opiates, narcotics, and is as safe as the best of medicines. The rapidity and certainty with which it annihilates a cough is astonishing. Its effects go deeper than the mere symptoms of pulmonary disease and discharge the mucus from the lungs, soothe the inflamed, chafe and throat from the burning which oppresses them, thus arresting Consumption and Bronchitis in the germ before they reach the more dangerous stages. The consumptive sufferer

**BATTLES FOR LIFE**

with the most deadly enemies of our climate will find in GARVIN'S TAR REMEDY a potent ally, and will surely win the fight by adhering strictly to this balsamic medicine. It is **VALI-ZING, PURIFYING and STIMULATING** effects upon the general system. It remarkably influences as all

**DISEASES OF THE BLOOD,** including scrofula, eruptions of the skin, Dropsy, Diseases of the Liver and Kidneys, Heart Disease, and General Debility. This

at the present date, and yet the preparation is only in the infancy of its usefulness. The great defect of many of the preparations of this kind is that they are simply expectorants. They are useless; for, unless the cause of the cough is removed, they are coughed up and down, and the irritation, induced or intensified, remains healed and restored to their natural tone, a cure is impossible.

**DR. GARVIN'S TAR REMEDIES,** accomplish these objects. They soothe and loosen the chest, clear the air passages, and are thrown off by them, while at the same time they soothe and soothe the inflamed, chafe and throat from the burning which oppresses them, thus arresting Consumption and Bronchitis in the germ before they reach the more dangerous stages. The consumptive sufferer

**GEISER'S**  
**PATENT SELF-REGULATING**  
**GRAIN SEPARATOR**  
**CLEANER, BIGGER AND POWERS!**

No implement more important to the farmer than a First-class Grain Thresher and Cleaner—for none pays him so well and so speedily.

The above one shows the only Geiser Machine now built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with

**FIRST-CLASS WORKMEN & MATERIAL**

this Machine just stands high above all of its class. As a thresher it is equal to the best, as a cleaner it is superior to any existing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled in machinery—more durable—thrashing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use—and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply the wants of all we now make 4 sizes, viz: From a 2 Horse Railway or 5 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from \$190 to \$360, without power. We also make the latest improved triple-gear Horse Powers, ranging from \$90 to \$135, and all fully and fairly warranted. For further information send for circular and price list.
