Dr. E. F. GARVIN'S SOLUTION AND COMPOUND ELIXIB

FIRST AND ONLY SOLUTION ever made in one mixture of ALL THE TWELVE valuable active principles of the well known curative agent, PINE TREE TAR.

SPECIFIC FOR CONSUMPTION! This all-powerful vegetable preparation expels from the lungs and air passages the mucus and muco-pus produced by pulmonary inflammation, heals the irritated membranes, and renovates every organ which utilizes the breath of life. It contains no surperlying poison, and is in all respects a healthful medicine. The rapidity and certainty with which it

ANNIHILATES A COUGH is astonishing. Its effects go deeper than the mere-symptoms of pulmonary disease and discharge the cause from the system. It relieves the lungs, chest and throat from the burdons which oppress them, thus arresting Consumption and Bionellitis in the germ before they reach the more dangerous stages. The emaciated sufferer

BATTLING FOR LIFE with the most terrible scourge of our climate will—find-DR. GARVIN'S TAR REMEDY a potent ally, and will assuredly win the light by athering strictly to this habamic medicine. By its VITALIZING, PURIFYING and SITMULATING elects upon the general system, its remarkably efficacious in all

DISEASES OF THE BLOOD.
Including Seconds and Eruntians of the Con-Including Ecrorula and Eruptions of the Skin, Dyspepsia, Diseases of the Liver and Kidneys, Heart Disease, and General Debility. The

CASES NOW ON RECORD in which it has been administered with entire success as a remedy for every variety of maladies which affect the respiratory functions, amount to

THOUSANDS at the present date, and yet the preparation is only in the infancy of its usefulness. The great defect of all Expectorants introduced is that they are simply expulsory. Hence they are useless; for, unless the causes of the aerid secretions which are coughed up are removed and the ruptured, inflamed or materated surfaces healed, and testered to their natural tone, a cure is impossible.

DR. GARVIN'S TAR REMEDIES,

accomplish these objects. The mucus and muco-pus which are the consequences of Lung Diseases, are thrown off by them, while at the same lime they soothe and invigorate the weakened tissues. As STERLING REMEDIES for coughs, colds, influenza, bronchial difficulties, catarrh, asthma, diseases of the heart, liver, stomach and bowels, all female weaknesses, diseases of the skin, inflammation of the lungs, and all disorders of a pulmonary nature, they have never been equalled.

this Machine just stands high above all o its class. As a thresher it is equal to the best, as a cleaner it is superior to any exists ing Machine. This is admitted by all honest competitors. Indeed it is the only Ma-chine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impartial judges at all the State and County Fairs tial judges at all the State and County Fairs where it was thoroughly and practically tested, in conpetition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled ih machinery—more duruble—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in useand besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply tou wants of all, we now make 4 sizes, viz:—From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from \$190 to \$360, without power.
