

Dr. E. F. GARVIN'S SOLUTION AND COMPOUND ELIXIR

FIRST AND ONLY SOLUTION ever made it one maxime of ALL. THE TWELVE valuable active principles of the well known curative agent, PINE TREE TAR.

SPECIFIC FOR CONSUMPTION! This all-powerful vegetable preparation expels from the lungs and air passages the mucus and muco-pus produced by pulmonary inflammation, heals the irritated membrines, and renovate every organ which utilizes the breath of life. It contains no susperying poison, and is in all respects a heatthful medicine. The rapidity and certainty with which it

ANNIHILATES A COUGH is astonishing. Its effects go deeper than the mere symptoms of pulmonary disease and discharge the cause from the system. It relieves the lungs, chest and thout from the burdens which oppress them, thus arresting Consumption and Bronchitis in the germ before they reach the more dangerous stages. The emaciated sufferer

BATTLING FOR LIFE with the most terrible sourge of our climate will find DR. GARVIN'S TAR REMEDY a potent ally, and will assuredly win the fight by athering strictly to this balsamic medicine. By its VITALIZING, PURIFYING and STIMULATING telects upon the gon. ralsystem, it is remarkably officacious in all DISEASES OF THE BLOOD.

DISEASES OF THE BLOOD, Including Scrottle and Eruptions of the Skin. Dys-pepsia, Diseases of the Liver and Kidneys, Heart Disease, and deneral Debility. The

**⇔ CASES NOW ON RECORD** • in which it has been administered with entire success as a remedy for every variety of maladies which affect the respiratory functions, amount to THOUSANDS

at the present date, and yet the preparation is only in the infancy of its usefulness. The great defect of all Expectorants introduced is that they are simply expulsory. Hence they are useless; for, puless the causes of the acrid secretions which are coughed up are removed, and the ruptured, inflamed or materated surfaces healed and restored to their natural tone, a cure is impossible.

DR. GARVIN'S tar remedies,

accomplish these objects. The mucus and muco-pus which are the consequences of Lung Diseases, are thrown off by them, while at the same time they soothe and invigorate the weakened tasues. As STERLING REMEDIES for coughs, colds, influenza, bronchial difficulties, catarrh, asthma, diseases of the heart, liver, stomach and bowels, all femnie weaknesses, diseases of the skin, inflammation of the lungs, had all disorders of a pulmonary nature, they have never been equalled.

GRAIN SEPARATOR CLEANER, BAGGER AND POWERS!

No implement more important to the armer than a First-class Grain Thresher and Cleaner—for none pays him so well and so

FIRST-CLASS WORKMEN & MATERIAL

this Machine just stands high above all o its class. As a thresher it is equal to the best, as a cleaner it is superior to any exists ing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any oth er machine, settles the question of its superiority as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled ih machinery—more durable-threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply tou wants of all, we now make 4 sizes, viz:

From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with

prices ranging from \$190 to \$360, without power. We also make the latest impproved triple-geared Horse Powers, suitable for each size machine, ranging from \$90 to \$133, and all fully and fairly warranted. For further information send for circular and price list.
