DR. P. FAHRNEY'S
Celebrated
Blood Cleanser or Panacea.

As a medicine for children, the Panacea is, in every case, calculated to take the place of the cod liver oil which are usually sold for that purpose, and which are often very injurious. A medicine which possesses the qualities of a purgative as well as a mild alterative, and which is capable of arresting disease without doing harm to the child, is of inestimable value to every mother. As a cathartic, it is very effective, yet it does not irritate the bowels, the tongue cleans, the appetite improved, and the whole system so benefited that disease, in bad weather, is less liable to afflict you.

It is a very important feature as a medicine for children. As a preventive of disease it is unsurpassed. It is a powerful purgative, and it is the most effective medicine ever offered to the public, and it is given readily and with pleasure to the most delicate of cases so common to children and to every family.

Prepared by P. Fahrney, M. D., at his residence, No. 101 N. 2nd Street, Philadelphia, Pa. Price \$1.25 per bottle. Sold by Wholesale and Retail Dealers.

G. HEISER'S
PATENT SELF-REGULATING
GRAIN SEPARATOR
CLEANER, BAGGER AND POWERS!

No implement more important to the farmer than a First-Class Grain Thresher and Cleaner—for none pays him so well and so speedily.

The above cut shows the only Geiser Machine now built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with

FIRST-CLASS WORKMEN & MATERIAL

this Machine just stands high above all its class. As a thresher it is equal to the best, as a cleaner it is superior to any existing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled in machinery—more durable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use—and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply the wants of all, we now make 4 sizes, viz:—From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from \$100 to \$360, without power. We also make the latest improved triple-gear Horse Powers, suitable for each size machine, ranging from \$30 to \$135, and all fully and fairly warranted. For further information, send for circular and price list.
