Thursday, Sept. 18, 1873.

France has paid the last payment of the war debt to Germany.

During the past few years Mr. Ross Winans has built in Baltimore city 113 four-story brick dwelling houses suitable for families in moderate circum-

One day last week the friends of "Beau" Hickman, who recently died in Washington, sought to disinter the body, which had been buried in Potter's Field, when it was found that the "body snatchers" had been there beforehand.

nea_City Treasurer Sprague, Brooklyn has been arrested on the charge of embezzlement and malfeasunce in office. He is lying sick in bed at his residence with an officer guarding him.

-The New York Gold Gamblers, after manouvreing for several weeks for a rise in gold, have at last succumbed, after losing several millions, without obtaining their object. The verdict of all honest men is "served them right."

The election in Maine was held on Monday a week. Little interest was felt in the contest, and a light vote was cast. The Republican State ticket, headed by Nelson Dingley, Jr. for Governor, was elected by a large majority.

The Republican Convention of Maseachusetts renominated Washburn for governor on Wednesday a week. Out of 11-05 delegates composing the Convention Gen. Butler had over four hundred, but he withdrew his name before a vote was

Judge T. S. Crawford and District Attorney Arthur H. Harris, of the twelfth judicial district of Louisiana, were assassinated recently, twelve miles south-west of Wynnsborough, in Franklin parish, while on their way to hold court in that place. They were shot seven times, and their brains blown out. Both leave fam-

in California, has recently confessed to evening next. the murder of Nathan, of New York, some fifteen months since, and has just made a further statement in San Francisco concerning the murder. He has offered to support his confession on oath, and says that if his safety in New York is guaranteed he will produce Nathan's memorandum book and the bonds taken on the night of the murder.

ma In New York city the name of Daniel Drew, the railway millionaire. has been added to the roll of pensioners of the war of 1812 by Pension Agent Dutcher. Mr. Drew served as a private soldier under Winfield Scott, and a short time ago he made applycation to be put on the list. The eight dollars a month that he is entitled to from the government he intends to give away

Memphis is panic-stricken at the appearance of the yellow fever, and the railroads are carrying away in crowds people fleeing before the pestilence. Returns from two undertakers on Monday show that of twelve interments, nine were of persons who had died from yellow fever, A sad condition of affairs prevails in Shreveport; the plague is unabated and the distress undescribable. Telegraphic men employed in thi office, five have taken the fever, two of whome are dead. Deaths average thirty or forty daily, and this in a population of not over four thousand. The town sends forth a cry for help that should reach over the whole country.

The sum of fifteen million five hundred thousand, awarded to the United States Government by the Geneva Tribunal in satisfaction for the Alabama claims, was formely paid over to the Secretary of the Treasury, on Tuesday a week. Sir Edward Thornton, who represents the Government of Her Brittanic Majesty at Washington, and Secretaries Fish and a friendly call on Thursday last. Mr. C. Indeed, the 'savings bank check' is also Richardson on behalf of the United States went through certain formalities, which were concluded with the delivery of a receipt in full for the amount by Secretary Fish to Mr. Thornton, but the real work of the transfer of this immense sum was lie officer. done by the bankers, and was in progress for some weeks.

Kenney, a young merchant, who disap- ler East of town on Tuesday last. The peared from Cumberland, Allegany coun-location selected was a most delightful ty. Md, mysteriously in the early part of one, being well shaded and commanding turing companies to the "savings bank August last, has returned home, and a fine view of the country. The weather states that he was drugged in New York was pleasant and young an old seemed to ticle. He thinks it would work well for and abducted to Chicago, where he was enjoy the occasion with more than ordinal all parties concerned in the present derobbed of nearly all the money upon his ry zest. person, about \$1,000, a draft of over \$2,000 and a small amount of money turned out as was pretty generally anticiescaping the search of his abductors. pated, a complete failure. When nearly At Chicago he was drugged, and next | ready for the ascension a rift opened in foud himself in the Rio Grande region, the crown of the balloon and it collapsed, engaged in herding cattle. He left there and with it the great "air voyage" across at once and made his way to Fert Union, the briny deep to Europe. The whole where he telegraphed to his wife, and thing is denounced as a sham and a swinreceiving no answer proceeded on his way die on the part of the publishers of the home, where he arrived on Sunday last Graphic, who disposed of thousands of sumptuous dinner several addresses were looking care worn and much fatigued tickets to persons who were eager to see with his journey.

so Wm. S. Waters, a member of the Bultimore bar, formerly of Somerset county, died a few days ago of a cancerous affection, aged 50 years.

840.000 FOR ONE COW.—A correspondent of the New York Tribune gives the dation for the hope we enjoy of ultimate- of paying has at last been commenced in following account of a sale of cattle near Gloves, and don't know what they are, in-Utica, N.Y. on the 10th inst, which is the most remarkable sale of the kind on Genuine Best will outwear a half dozen record. The herd, numbering one hunerence to the sale:

The Duchess family headed by that no-

ble three year old bull, "Second Duke of Oneida." came first in the sale, which began punctually at one o'clock. He was no sooner presented than Lord Skelmersdale offered \$10,000. This was quickly ben, of Cynthiana, Kentucky. Next came "First Duchess of Oneida." The bidup to \$30,000, after which bids of \$100 more were made, until she was sold to Lord Skelmersdale for \$30,600. A beautiful yearling, "Seventh Duchess of Oneiwas next offered. The bids started at \$5,000, and quickly went up to \$19,-000 at which sum she was sold to Mr. A. J. Alexander, of Kentucky. After her the "Tenth Duchess of Geneva" came into the ring. The bidding started at \$500, ran quickly up to \$30,000, and then by smaller bids to \$35,000, at which she was taken by Lord Bective, through Mr. Berwick. Several fine animals followed at high prices, some to cross the Atlantic.-The culmination of the intense interest. however, was reached in the bidding for the "Eighth Duchess of Geneva," which was sold to Mr. R. Pavin Davis, of Gloucestershire, England, for the unprecedented sum of \$40,600. After this eleven cows of the "Duchess" family sold for \$238,800, an average of over \$21,700.— Of these, six went to England at a cost of \$147,000, and five remain here at a cost of \$91.700. After the "Duchess" family came the

'Oxfords," then the other families. the bulls being brought in after all the cows were sold. There were in all one hundred and eleven animals presented.— The sum realized was \$380,890.

A FLOATING ISLAND.—There is a singular natural curiosity in a lake in Vermont, consisting of one hundred and fifty cres of land floating on the surface of the water. The tract is covered with cranberries, and there are trees fifteen ft. high. When the water is raised or lowered at the dam of the pond, the island rises and falls with it. It affords a fine shelter for fish, large numbers of which are caught by boring a hole and fishing down through it as through the ice in

A TRACT OF LAND AT PRIVATE SALE.

THE undersigned offers at Private Sale a Lyaluable tract of unimproved land, lying one half mile from Mt. Hope, in Quincy township, Franklin county, Pa, on the road leading to Chambersburg. The tract contains

31 ACRES AND 5 PERCHES

good quality of limestone land, 10 acres of which is heavily timbered, 4 acres of good meadow land, through which passes a small branch of the Antietam Creek. The remainder is good farming land, which has lately been heavily limed, and is in a good state of cultivation. There is sufficient good building timber upon the premises with which to erect suitable buildings.— There are in the village adjoining a good Merchant Mill, Blacksmith Shop, Shoemaker Shop and Store, and a good Saw-Mill within one mile of the premises, which altogether make it a very desirable and con-SAMUEL PFOUTZ.
