Farewell Annie, a short farewell
Till we shall meet above,
In the sweet groves where pleasures dwell
And trees of life bear love.
Sweet soul, we leave thee to thy rest,
Enjoy thy Jesus and thy God,
'Till we from bands of clay released
Spring out and meet thee with our God.

REMINGTON
FAMILY SEWING MACHINE!
THE subscriber announces to the public that he has the agency for the sale of the "Remington Family Sewing Machine" in Franklin county. Having tested its working qualities and capacity for several months he can safely recommend it as the very **BEST MACHINE IN USE.**
Its construction is such that it can be run at a higher rate of speed than any shuttle machine now in use. In factories where the speed has been registered, over 1000 stitches per minute have been attained with ease. It is strong in all its parts, and free from the harsh and jarring movements, and friction, common in inferior machines. A simple change of the needle's work, and it will sew the finest cambric or the heaviest leather. The shuttle carries a large quantity of thread thus saving in a great measure the trouble of filling the bobbins. The Remington has no rotary cams, cog-wheels or lever arms to make a noise, run hard, or to get out of order.
Any girl of ordinary intelligence can keep it in order without the least difficulty. The subscriber also informs his customers and the public that he has just opened out his new
FALL AND WINTER SUPPLY OF CLOTHS, CASSIMERES, VESTINGS, AND ALL OTHER GOODS FOR THE GENTLEMAN'S WEAR. He solicits an inspection of his stock, on

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is; that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system.—Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, and strengthen the entire organization of the Liver and Visceral Organs in Bilious Diseases.
The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Stomachic, Alterative, and Anti-Bilious.

HOW IS THIS FOR HIGH.
JOHN FORD in returning thanks to the public for their patronage announces that he intends removing his shop to the Basement of Walker's Building, (and not leaving town as is the belief of many) where he intends carrying on the BOOT AND SHOE BUSINESS as usual.
All persons knowing themselves indebted to me will please call and settle their accounts immediately, for I may cease my stock and must have my money. Don't want to see the face of that unwelcome visitor, the Deputy from "Fort Fletcher," provoking about my shop seeking whom he may devour, &c.
Customers will therefore find me at the Basement referred to after the first of April next.

The subscriber cordially invites those desiring anything in his line to call and examine his stock and learn his prices, which he feels warranted in saying will compare favorably with that of any other establishment in the county. Repairing of all kinds will receive prompt attention.
Thankful to the public for past patronage he solicits a continuation of the same in the future.
