A NEW THING UNDER THE SUN.

Sixteen Oil Paintings in a book! Never before was such an idea attempted for book illustration; every-one who-has seen it pronounce it superb. Mrs. Harriet Beecher Stowe's latest work, "Woman in Sacred History," is a series of narative description. sketches, drawn from scriptural, historical and legendary sources. Illustrated with 16 choice (il Chromos, after paintings of the most celebrated artists of the world, giving a rich and magnificent variety of Oriental Costume and Beauty. Mrs. Stowe in her charming style has written a book full of interest, and without a dull page in it, which even if illustrated would sell rapidly; but the brilliant oil pictures make it one of the most unique, original, remarkable books ever offered. The pictures, if published separately would readily sell for \$2 each—or \$32, while the entire book, with the sixteen pic-tures, together with sumptuous bindings of the volume, can be had for one-fifth of that amount.
