gar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unperalleled success of VINEGAR BITTERS!" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Pargative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Billous

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Natritions, Laxative, Diarctic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious. Grateral Thousands proclaim VIN-

EGAR BITTERS the most-wond-rful Invigor-ant that ever sustained the sinking system. No Person can take these Bitters according to directions, and remain long mwell, provided their hones are not destroyed by mineral poison or other means. and vital organs wasted beyond repair. Bilious, Remittent, and Inter-

mittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no erthartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, AS they will speedily remove the darkcolored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, generally restoring the healthy functions of the digestive organs

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed

Dyspepsia or Indigestion, Head-ache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Ernetations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspensia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Infiammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sere Eyes, etc., etc. In these, as in all other constitutional Diseases, Walker's VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout. Dilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Ritters have no equal. Such Diseases are caused by Vitiated Blood. Mechanical Diseases. - Persons en-

gaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Howels. To guard against this, take a dose of WALE-ER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Sait-Rhenm, Blotches, Spots, Pindies, Pastules, Beils, Calencles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scarfs, Discolorations of the Skin, Hamors and Discusses of the Skin of whatever name or nature, are literally due up and carried out of the system in a short time by the use

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no varmituges, no anthelminities will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of wo-manhood, or the turn of life, these Torac Bitters di play so decided an influence that im-

provement is soon perceptible.

Cleanse the Vitinted Blood whenever you find its impunities bursting through the skin in Pimples, Emptions, or sores; cleanse it when you find it obstructed and sluggish in the voins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the Louis of the od pure, and the Leafth of the system will follow

As modicine for children, the Panacca is, in every way, calculated to take the place of the endless variety of driggs which are annually sold for that purpose, and which are often very injurious. A medicine which possesses the qualities of a catherite as well as a mind afterative, and which are a catherite as well as a mind afterative, and which is catherite as well as a mind afterative, and which is catherite, as clean c without the least injury to the child, is of in acalable value to every mother. As a catherite, it is very cheat one tisters to the stomach or bawes. It is very rica and to the taste, which is a very important icutive a, a medicine for children. As a presenter of disease it is unprecedented, a littlest like silv mison the disease at it is unprecedented, a littlest like silv mison the disease at its indirect and the blood. GEISER'S

PATENT SELF-REGULATING

GRAIN SEPARATOR

No implement more important to the armer than a First-class Grain Thresher and Cleaner—for none pays him so well and so

The above cut shows the only Geiser Machine now built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with

FIRST-CLASS WORKMEN & MATERIAL this Machine just stands high above all o its class. As a thresher it is equal to the best, as a cleaner it is superior to any exists ing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from his machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impar-tial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more sim-ple—more easily understood and operated by those unskilled in machinery—more du-rable—threshing as much and yet cleaning better—with loss power and more comfort to hands than any other machine in use— and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply tou wants of all, we now make 4 sizes, viz:— 1 LARGE PICTURE FOR 8x10 FRAME From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from \$190 to \$360, without power. We also make the latest impproved riple-geared Horse Powers, suitable for each size machine, ranging from \$90 to \$135, and all fully and fairly warranted.
