

gar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?"
Our answer is, that they remove the cause of disease, and they are the create of disease, and they are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases

Diseases.
The properties of Dr. Walker's Vinegar Birters are Aperient, Diaphoretic, Carminative, Natritious, Laxative, Diurotic, Sedative, Connter-Irritant, Sudorific, Alterative and Anti-Bilions.

Grateful Thousands proclaim VINfoar Bitters the most wond-rul Invigor-ant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair. Bilious, Remittent, and Inter-

mittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no exthartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the darkcolored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALK-ER'S VINEGAR BITTERS occasionally. For Skin Diseases, Eruptions, Tet-

ter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use Pin, Tape, and other Worms.

lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminities will free the system from worms like these Bitters. For Female Complaints, in young

or old, married or single, at the dawn of wo-manhood, or the turn of life, these Tome Ditters display so decided an influence that im provement is soon perceptible.

Cleanse the Vitiated Blood when-

ever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will fellow will follow

PATENT SELF-REGULATING

GRAIN SEPARATOR

CLEANER, BAGGER AND POWERS:

No implement more important to the farmer than a First-class Grain Thresher and Cleaner—for none pays him so well and so

speedily.

The above cut shows the only Geiser Ma chine now built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with

FIRST-CLASS WORKMEN & MATERIAL his Machine just stands high above all its class. As a thresher it is equal to the best, as a cleaner it is superior to any exists ing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a ushel more than grain direct from any oth er machine, settles the question of its superiority as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled in machinery—more durable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use— and besides all that is sold for less money 9 FERRO CARDS FOR PHOTOGRAPH

and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply to wants of all, we now make 4 sizes, viz:—From a 2 Horse Railway or 3 Horse Lever Power, with prices ranging from \$190 to \$360, without power. We also make the latest imprioved triple-geared Horse Powers, suitable each size machine, ranging from \$90 to \$135. and all fully and fairly warranted. Not tor Sale in News or Book Stores. THE ALDINE while issued with all the regularity, has none of the temporary of timely interest characteristic of ordinary timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light, and graceful literature, and a collection of pictures, the rarest specimens of artistic skill, in black and white. Altho' each succeeding number affords a fresh pleasure to its friends, the real beauty and value of The Aldine will be most appreciated after it is her beauty and when the clean of the state of ted after it is has been bound up at the close of the year. While other publications may lay claim to superior cheapness, as compared with rivals of a similar class, The Aldin

is a unique and original conception—alone and unapproached absolutely without competion in price or character.
