Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native berbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparallèled success of VINEGAR BITTERS ?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principla, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heli to. They are a gentle Purgative as well-as a Tonic, relieving Congestion or Inflammation compounded possessing the remarkable Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diurctic, Sedative, Counter-Irritant, Sudorific, Altera-tive, and Anti-Bilious.

Grateful Thousands proclaim VIN-EGAR BITTERS the most wond-rful Invigor-ant that ever sustained the sinking system. No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Inter-. mittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organa, is essentially necessary. There is no eathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, 89 they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR-BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the ofisprings of Dyspepsia. One bottle will prove a better guarantee of its

·merits than a lengthy advertisement. Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Morcurial Affections, Old Sores, Eruptions of the Skin. Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, Walker's Vinegan Bitters have shown their great curative powers in the most ob-

stinate and intractable cases. For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood. Mechanical Diseases. - Persons en-

gaged in Paints and Minerals, such as Plumber:, Type-setters, Gold-beaters, and Minera, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALK-ER'S VINEGAR BITTERS becasionally. For Skin Diseases, Eruptions, Tet-

ter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuccies, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scars, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms. Iurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermiluges, no anthelminities will free the system from worms For Female Complaints, in young

or old, married or single, at the dawn of wo-nanhood, or the turn of life, these Tonic Bitters display so decided an influence that im-

provement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system

will follow.

Dr. P. FAHRNEY'S Celebrated Blood Cleanser or Panacea.

As a medicine for children, the Panacca is, in every way, calculated to take the place of the endless variety of drags which are annually sold for the purpose, and which are often very injurious. A medicine which possesses the qualities of a cathartic as well as a mind alterative, and which is capable of arresting disease without the least injury to the child, is of —administ value to every mother. As a cathartic, it is very officietive, yet it does not, if given in proper quantities, cause nausea or distress to the stonach or bowels. It is very pleasant to the taste, which is a very important feature as a medicine for children. As presenting of algosity or grant of the control of the co

past 18 years, and now with FIRST-CLASS WORKMEN & MATERIAL this Machi-e just stands high above all o its class. As a thresher it is equal to the best, as a cleaner it is superior to any exists ing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its supeiority as a cleaner over all others. Impartial judges at all the State and County Fairs by those unskilled in machinery—more durable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use— and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purfurther attested by the thousands of purchasers, some of whom have had them in use for the last 18 years.
