

DR. J. WALKER'S California Vinegar Bitters are a purely vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

Properties of Dr. Walker's Vinegar Bitters are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful medicine that ever sustained the sinking system. No person can take these Bitters according to directions, and remain long unwell, provided their livers are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Rappahannock, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no other for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fortified.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will purify a heavy system, and its merits need no lengthy advertisement.

Serofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they remain in their subjects to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Scurf, Eruptions of the Itch, Scars, Discolorations of the Skin, Humors, and Diseases of the Skin of whatever name or nature, are literally dug out and carried off of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are affectionally destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Bitters display so decided an influence that improvement is soon perceived. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Cleanse the blood pure, and the health of the system will follow.

BUTTON HOLE WORKER.
Patented June 27th, 1871. Awarded the 1st
Premium at the American Institute and
Maryland Institute Fairs, 1871.
A most wonderful and elegantly constructed
Sewing Machine for Family Work. Complete
in all its parts, uses the straight eye
pointed needle, set, threading, direct up-
right Positive Motion, new tension, self
feed and cloth guider. Operates by wheel
and on a table. Light Running. Smooth
and noiseless, like all good high-priced
machines. Has patent check to prevent the
wheel being turned the wrong way. Sew
direct from the front. Makes the Elastic
Lock Stitch, (finest and strongest
stitch known); firm, durable, close and rapid.
Will do all kinds of work, fine and
coarse, from Cambric to heavy Cloth or
Leather and uses all descriptions of thread.
This machine is heavily constructed to give
it strength; all the parts of each machine
being made alike by machinery, and beauti-
fully finished and ornamented. Its very
easy to learn. Rapid, smooth and silent in
operation. Reliable at all times, and a practical
mechanical invention, at greatly re-
duced price.

A good, cheap Family Sewing Machine at
last. The first and only success in produc-
ing a valuable, substantial and reliable low
priced Sewing Machine. Its extreme low
price reaches all conditions. Its simplicity
and strength adapts it to all capacities,
while its many merits make it a universal
favorite, wherever used, and creates a rapid
demand. It is all it is recommended.

I can cheerfully and confidently recom-
mend it as being a good Sewing
Machine, at a low price.

THE HURCULIAN
LIFTING JACK.
The superior lifting ma-
chine of the Hurculian
Lift, invented by J. H.
HURCULIAN, of New York,
is the most perfect and
reliable of any lifting ma-
chine ever invented. It
is used for raising heavy
weights, and for all pur-
poses where a strong
and reliable lifting ma-
chine is required. It is
made of iron, and is
entirely self-acting, and
requires no manual labor
to operate it. It is used
for raising heavy weights,
and for all purposes where
a strong and reliable lifting
machine is required. It is
made of iron, and is en-
tirely self-acting, and re-
quires no manual labor to
operate it.

GEISER'S
PATENT SELF-REGULATING
GRAIN SEPARATOR
CLEANER, BAGGER AND POWERS!

No implement more important to the
farmer than a First-class Grain Thresher and
Cleaner—for none pays him so well and so
speedily.

The above cut shows the only Geiser Ma-
chine now built under the immediate eye
of the old inventors themselves, with all the
additional improvements made during the
past 18 years, and now with

FIRST-CLASS WORKMEN & MATERIAL
this Machine just stands high above all
of its class. As a thresher it is equal to the
best, as a cleaner it is superior to any exist-
ing Machine. This is admitted by all hon-
est competitors. Indeed it is the only Ma-
chine that really can, by one operation,
thoroughly thresh and clean grain fit for
market. But the fact that grain direct from
this machine commands from 2 to 3 cents a
bushel more than grain direct from any other
machine, settles the question of its superi-
ority as a cleaner over all others. Im-
portant judges at all the State and County Fairs
where it was thoroughly and practically
tested, in competition with other leading
machines, always agree that it is more oper-
ated by those unskilled in machinery—more du-
rable—threshing as much and yet cleaning
better—with less power and more comfort
to hands than any other machine in use—
and besides all that is sold for less money
according to capacity. These facts are
further attested by the thousands of pur-
chasers, some of whom have had them in
use for the last 18 years. To supply the
wants of all, we now make 4 sizes, viz—
From a 2 Horse Railway or 3 Horse Lever
Power, to a 10 Horse Lever Power, with
prices ranging from \$100 to \$300, without
number. We also make the latest improved
trip-le-gear Horse Powers, suitable for
each size machine, ranging from \$80 to \$135,
and all fully and fairly warranted. For
further information send for circular and
prices.
